## BUILDERS, ATTENTION

The slack season in the building trade is approaching. Why not get the foundation of a house laid before cold weather, finish it up during the winter months and have it ready to sell or rent early next spring. This will put you through the slack season very profitably. The easiest time to sell a house is in the spring.

## Portland Place

Offers the best opportunity for building under this plan. Centrally situated with regard to every part of the city, with schools, churches, shops, etc., within one minute's walk, with graded streets and sidewalks, grass plots and shade trees, city water and sewer services, electric light and telephone connection available for all lots. Houses here will sell and rent readily and at good figures.

## Special Terms to the Building Trade

We will quote special terms on lots to Builders and furnish house plans free to enable them to take advantage of this proposition quickly and easily.

Come in and talk it over with us. We may be able to offer some helpful suggestions with regard to financing your winter's work.

This May Be the Opportunity You Have Been Waiting For

Take any Main street car to the Harrison street stop. Less than a minute's walk out Elm street puts you on Lansdowne Avenue. Look the proposition over there, then talk it over with us.
