

The Kind of Clothes Gentlemen Wear Made-to-Your-Measure

TAILORED CLOTHES that are excellently conceived and splendidly executed and that are really "worth while" in this fiercely competitive age.

WHEN we charge \$15 for a business suit we put into it that which the purchaser could not possibly duplicate in clothes at double the price.

SO DISTINCTLY have we succeeded that we can mathematically demonstrate, to any man who wishes to be well dressed, the economy of wearing English & Scotch Woollen Co. Made-to-Measure garments.

What Our Customers Say

It would be impossible for us to publish all the testimonials we receive—but I think this, from one of our customers, is worth recording. He says—"My dealings with your firm have convinced me that your tailoring service is the greatest clothes proposition that I have ever looked into. Any remarks I can make are inadequate to express its merits—and my satisfaction. It has startled me and my friends—in our judgment your values are wonderful." This is only one sample of the many flattering things that are said about us.

THE KENNEL

Refused \$15,000

Every now and then tales of remarkable sums being paid for high-class dogs are heard. Only recently it was said that George W. Quintard had paid more than \$8000 for the fox terrier Wire Boy of Pailington, and that W. Ross Proctor had invested a large amount in the crack Sealyham Ivo Caradoc.

Just what is the record price paid for a dog is a question. Most of the contracts are made privately, and for that reason the only ones who actually know what money changes hands are those who are directly interested. According to the London Field, Mrs. Ashton Cross some time ago told an interviewer that she had a bona fide offer of 3,000 guineas (about \$15,000) for her noted champion Peckings, Chu Ern of Alderbourne, but that she had refused.

The same writer in the Field says that Robert Vincy told him that he had been given a blank check for the smooth coated fox terrier Vice Regal. He filled in this check for \$200, and included another terrier worth about \$300—Vice Regal, therefore, bringing £470.

"George Raper," says the Field, "has sold fox terriers for more than that amount, and only a few weeks since an amount said to be in the neighborhood of £750 was paid to Miss Lewis for the wire-haired terrier Wire Boy of Pailington. A Sealyham terrier, Ivo Caradoc, was sold by T. Hamilton Adams and he was asked what he got for his famous terrier and if the amount might be made

public. His reply was that he was not in the least secret about the matter; he got \$800 for the dog, and he considered he was cheap, for at the time of the sale Caradoc was earning money at the rate of £400 and £500 a year. This is no doubt the highest price ever paid for a sporting terrier."

"The £1000 mark has been reached on more than one occasion for a collie and also for a bulldog; £200 was paid for a Labrador, while R. Purcell-Llewellyn has

more than once refused £1200 for one of his field trial setters. These offers and sales have been made privately, but no doubt the highest bona fide bid made for a sporting dog at public auction was the

1500 guineas which J. Mayer offered for the greyhound bitch Princess Dagmar after she had won the Waterloo Cup in 1881."

Suicide of Astor Trust Company Treasurer Ascribed to Worry

New York, March 26.—Henry J. Cochran, vice-president of the Astor Trust Company, of which Howard Boock, who killed himself and wife last week, was treasurer, issued a statement that an inspection of Mr. Boock's books and accounts had shown them to be in order.

Mr. Cochran said it was the belief of worry caused by illness prompted him to take his wife's life and his own. Mr. Boock had recently undergone an operation.

Blackboards of an especially ground plate glass have been installed in the classrooms of a Portland, Or. school. The backs of these blackboards are painted black and the writing surface is such that ordinary chalk and felt erasers may be used. The surface may be washed easily so that it can be kept fresh, jet black and free from an accumulation of dust.

Teams Lost Money

Ottawa will perhaps be the only N. H. A. club to show a surplus this season, and this is largely due to their plan of selling season tickets. The Wanderers were the highest-priced and the biggest of the teams carrying fifteen men through the season, but, though they made a Garrison finish, the championship they lost money on the year. The Canadiens did not do so poorly as might have been expected with a tail-end club, and may show an even break.

Havana, March 24.—Americans have been to bet in the city since the season, and this is largely due to their plan of selling season tickets. The Wanderers were the highest-priced and the biggest of the teams carrying fifteen men through the season, but, though they made a Garrison finish, the championship they lost money on the year. The Canadiens did not do so poorly as might have been expected with a tail-end club, and may show an even break.

White Beats Cross.

New York, March 25.—Charlie White, Chicago lightweight, out-fought Leach Cross, of New York, in a ten-round bout here tonight. White getting the honors five rounds and Cross in two, while three were even. Both men fought deliberately, trying hard for a knockout, and sacrificing science for fighting.

TURF

Largest Canadian Winner

The comparatively modest establishment of William Walker stands at the head of Canadian racing stables when the completion of winnings for the last eight year period is concluded. The more pretentious Canadian racing stables are retired from active work with the end of the summer, but there is no close season for Walker's operations.

William Walker won in all \$164,731; J. E. Seagram is second, with a grand total of \$104,940; R. J. Mackenzie, beginning with 1908, has won \$104,218. Next come Hon. J. Hendrie with \$83,478; H. Giddings, with \$57,405, and the Brookdale Stable with \$55,530, winning \$39,690 in 1907, \$41,055 in 1908 and \$31,780 the year following. Walker got a big start. His worst was \$4,083, in 1912. His two largest year's winnings have not been equalled, although R. J. Mackenzie's \$32,397 last year ran him close.

To Fight Canadian Race Meets

In order to attract the best class of thoroughbreds and prevent their shipment to the Canadian tracks for the spring meetings the Westchester Association (Belmont Park tracks) will offer overnight races, worth from \$500 to \$700 each, the latter amount for handicaps, during the meeting which will open at that course on May 20. The races for the first few days will have \$400 and \$500 added to them, and some of the handicaps \$600, but after the first few days the \$500 and \$700 race will prevail. If the gate receipts should warrant improvement in the money value this will be made as the meeting progresses.

BILLIARDS

Experts at It.

Chicago, March 25.—The twelve experts making cue history of the world's three-cushion championship now in progress in Chicago, ten are from the United States and two from Canada. Four of the home-born players are from the east and the other six from the west.

No better evidence of the adaptability of billiards can be had than the diversity of ages of the men who are competing for the diamond emblem and the \$1,000 can prize that hangs with it. Joe Capron, who was born in Brant-

ford, Canada, 56 years ago, is the dean of the corps. He won the hall-lime championship of Canada in 1889.

Fred Eames, who is representing Denver, was born in Boston, fifty-one years ago and went to Colorado some fifteen years ago on account of his health. He is a former world's champion.

Alfred DeOro, the present champion, who has made New York his home for many years, was born fifty-one years ago at Manzanillo Province, Cuba.

Lloyd Jevne, who is playing from Los Angeles, is a native Chicagoan and is forty-seven years of age. He is a former three-cushion champion.

John Daly, also a former title holder, was born in Utica, N.Y., but has made his home in New York city for some time, previous to which he lived in Chicago. He is forty-six.

George Moore, short in stature, but long in playing ability, hails from Youngstown, O., of which city his father was mayor. George resides in New York and is forty-five years of age.

Charles Morin of Chicago was born in that city forty-four years ago. Jean Leach, also representing Chicago, comes from Toronto, and is thirty-four, the same age as William Huey, a Chicago amateur, who was born in Chester county. Huey has been one of the big surprises of the tournament, winning his first five games and tying the world's championship run of thirteen, held by DeOro. John Hamman, playing from Milwaukee, was born in Milwaukee, twenty-five years of age.

No tournament in the history of the game has produced so many close games as this. The limiting of the players to one deliberate safety shot has shortened the game considerably and has made it as if the new rule has come to stay.

BASEBALL

Sues For Divorce

Savannah, Ga., March 25.—Bill Donovan, manager of the New York Yankees, who are doing their training here, has been served with divorce papers filed by his wife, Helen N. Donovan, now in Reno, Nev. Mrs. Donovan says she was married in March, 1908, but that for the last year her husband has neglected her and failed to contribute to her support.

Bill Donovan has not lived with his wife for several years.

A Wonder on Bases

There are three men in baseball with practically the same amount of speed—Lobb, Lobert and Maisei, says Grantland Rice. In a 100-yard dash this trio would probably lead the field and finish together under a clover leaf.

Was Troubled With Eczema.

Would Nearly Yell With Pain.

BURDOCK BLOOD BITTERS CURED HIM.

Mr. R. J. Swales, Harrison, Ont., writes: "I have been a great sufferer with eczema. I tried all kinds of salves, but they did me no good. Sometimes I would nearly yell with the pain, and would pass little white worms. I was told to get at the blood, so I used four bottles of Burdock Blood Bitters, and it has made a complete cure."

All skin diseases such as eczema or salt rheum, itching or burning rashes, boils, pimples, eruptions, ulcers, etc., are all caused by the blood becoming impoverished, and while not usually attended with any fatal results, may sooner or later develop into some serious blood trouble, and the entire system become affected.

Burdock Blood Bitters will cleanse the blood of all its impurities and by this means cure all skin and blood troubles. This valuable preparation has been on the market for the last forty years, so you do not make any experiment when you give it a trial.

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

But at the important art of quick starting, Fritz Maisei of the Yankees has something on them all. Fritz is undoubtedly the best man in the game at 40 yards. He seems to bound the first 10 yards as if catapulted from a standing start. This accounts largely for his great base running.

Any man who can bat under 240 and pilfer 74 bases is a base-running wonder. Maisei once stole 88 bases, but he batted over .300. Cobb once led the league with 84 steals, but he batted .420. He had 246 hits that season, while Maisei acquired 74 steals with 131 safe blows. If Maisei ever batted .300 or better he would slip by the mark of 100 steals, something no man has done for many a year.

Hot Springs, Ark., March 25.—With Ray Collins and Dutch Leonard both picking gilt edge ball for the Yankees, the Red Sox regulars went down to defeat yesterday by a score of 6 to 2. Seldom in mid-season have two twirlers worked harder than did this pair of left-handers.

Each pitched for four innings. Collins, who opened the game, allowed one run in the first when he passed Janvin with one down and then allowed Speaker and Lewis to connect safely. For the other three innings he had the game well in hand all the time, a double by Hendriksen to left in the third, and a single by Scott in the fourth, being the only other safe bingles off his delivery. Leonard burned the ball over the rubber in all sorts of ways and had the full lineup guessing. He also held his opponents to four hits, a triple by Haley and a double by Hendriksen in the seventh resulting in the second and last run for the Red Sox regulars.

For the Regulars Long Shore and Comstock, a Providence pitcher, were used in the box, both of them right-handers.

Joe Wood warmed up in fine style before the game, and showed more speed than he had before. Carrigan is delighted with the way in which this pitcher, as well as all his others, is rounding into form.

Outside of the pitching the game was featured by some fast work on the infield. Both the Regulars and the Yankees came through with fast double plays. McNally and Scott played perfect games at short, while Janvin picked several difficult chances from the ground.

Hendriksen carried off the honors at the bat with a triple and a double. He was the only regular to get two hits. Haley caught both Collins and Leonard in perfect style, and was there with a three-base hit. This young catcher is almost sure of being a regular this season. He has a free and easy style both behind and at the bat, and has a head on his shoulders which he uses under all conditions.

Braves Pitchers Best.

Macon, Ga., March 24.—Manager G. Stallings, of the Braves, believes that the Giants will prove his chief source of worry this summer. He believes McGraw has added great strength in Lobert and Pol Perritt in spots where improvement will count most, but he believes also that the world's champions have improved through the acquisition of Sherwood Magee.

"I will have the best pitching staff in the National League," Stallings said. "Davis, Hughes and Strand seem quite ready for such a campaign as was furnished by James, Rudolph and Tyler last year if occasion demands. Whaling has found himself as a catcher. He will be as serviceable as Hank Gowdy. I also have two crackback young backstops, who lack experience only, and who in any event will assure me full strength behind the bat at all times."

Stallings and his men are confident of another pennant because they believe the club will get a much better start than a year ago, when victory hung on a phenomenal drive throughout the last half of the season. Johnny Evers, heretofore a slow starter, is enjoying unusually fine health. He is eight pounds heavier than ever before, though well conditioned. Schmidt, the big first baseman, reported almost at weight. He was thirty pounds too heavy at the beginning of the 1914 race.

Stallings is slightly concerned over Third Baseman Red Smith, whose leg was broken late last fall. Smith shows on the market for the last forty years, so you do not make any experiment when you give it a trial.

Marquard's Poor Showing.

A despatch from Marlin says:—Marquard's showing against the Waco team in Waco yesterday did not appeal to the Giants' manager. On the contrary, it resulted in his sending a notice to "Rube" that he prepare to accompany the second team back to New York. This party is to leave here in charge of the assistant secretary, "Eddie" Brannick. It will travel through parts of Texas, Oklahoma, Arkansas, Tennessee and Virginia.

New System for Umpires.

New York, March 25.—A new system of announcing the official batting orders of teams in championship games will be used in the National League this year. Heretofore only the names of the batter men have been called out by the umpires.

Many women suffer from an excruciating pain in the back. They are not even able to look after the common duties of their household, and cannot even walk at times.

The whole trouble is that the kidneys have become affected, and when the kidneys get "out of kilter" the whole system becomes deranged. On the first sign of a weak, lame, aching back you should not neglect it, for if you do, you may be sure that some serious kidney trouble will follow.

What you want is a kidney medicine, for kidneys only. This you will find in Doan's Kidney Pills. Doan's Kidney Pills know nothing but kidney disorders, because they're made for kidneys only.

Mrs. George Craigie, Rose Valley, P.E.I., writes: "I am writing to tell you what a wonderful cure Doan's Kidney Pills did for me. I was suffering with a lame back, and for several days I could hardly straighten up for the pain. I had used quite a lot of other kind of pills, but received no relief. Just then my sister told me about what 'Doan's' had done for her, so I decided to try them. I used three boxes and I am completely cured. I do not hesitate to recommend them to all."

Doan's Kidney Pills are 50c a box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."
