Septimus Denison, who a counter attack and recaptured a portion of the trenches previously inter task perform, that nom the wreth may rise A fairer fabric, 'neath serener skies, Designed the world-wide race of man to

place of Col. Septimus Denison, who a went to England with them. Col. J. 1 Landry of Quebec, a son of Speaker Landry of the senate, heads the Quebec "In the forest of Ailly, the counter attacks delivered by us toward the end of the day made slight progress, and we recaptured a portion of the position where the Germans had succeeded in gaining a footing in the morning. Dur-ing the night the Germans delivered a counter attack against our position at Mamelon to the east of Sillakerwasen, the summit of which they reoccupied. "All the remainder of our gain in the direction of the river Fecht has been consolidated and maintained."

Landry of the senate, heads the Quebec and Maritime province brigade, while Col. Ketchum of Winnipeg is the com-mander of the western brigade. Lord Brooks will have as his brigade major Lieut.-Col. R. G. Stewart, of Ot awa. Colonel Landry's brigade major is Col. Malcoim McAvity of St. John, and Lieut.-Col. P. A. Moore is brigade. The second contingent comprises about 2,000 men including all the units of a egular army division. Immediately fol-brwing the despatch of the first Canadian ivision, the organization of this contin-London, May 6—The German line to the east of Ypres is within three miles of the town. The British press does not seek to deny or minimize the persistency of this German offensive, but there is no disposition to lament the drawing in of the British front to the eastward and the northeastward of Ypres, which was the only alternative to a successful counter attack. Con-fidence is expressed that the new British alignment will prove beneficial in view of the hard fighting which is expected. wing the despatch of the mist canadian ivision, the organization of this contin-uickly enlisted. During the winter sys-matic training was carried forward in the divisional headquarters and the roops are fully drilled and equipped to ugment effectively the Canadian forces ow at the front. Junce of the branch of the only idence is expressed that the view of the hard fighting with IMPORTANT ADVANCE AT DARDANELLES. London, May 6-The Turks,
