

PRESBYTERIANS DECLINE ANY CO-OPERATION

Confidence Shattered, Declares Moderator of Continuing Church at Toronto

LOYALTY MESSAGE TO KING APPROVED

Wesleyan, Published at Sackville, to Remain Official Organ in N. B.

TORONTO, June 17.—Declaring that the wrongs from which the continuing Presbyterian church is suffering are still in process, with thousands of its members "dispossessed and homeless" in the matter of a place to worship, Rev. Dr. E. Scott, of Montreal, Moderator of the General Assembly of the Continuing Church, stated in an interview with R. E. Knowles, journalist and former Presbyterian minister, that the confidence there could be no real co-operation with the United Church.

Dr. Scott made these observations in relation to his reluctance as moderator of the assembly yesterday to accept the motion of Rev. Dr. Johnson, of Calgary, for co-operation with other Christian churches, particularly with the United Church. Dr. Scott suggested that the "offending party" must first "turn and repent," and added that "forgiveness is one thing," and "trust and confidence" another.

LOYALTY MESSAGE: O. K'D.—The General Council of the United Church of Canada this afternoon approved of messages to be sent to His Majesty the King and His Excellency the Governor-General, declaring the loyalty of the church members.

Safe Milk and Diet For Growing Children

Contains the valuable muscle and bone building elements found in the grain and whole milk. Easily assimilated by growing children, students, anemics, etc. Excellent as a light lunch when faint or hungry. Prepared at home in a minute by briskly stirring the powder in hot or cold water. No cooking.

MARITIME PAPER STAYS.

It was agreed that the Wesleyan, Maritime Methodist paper published at Sackville, be continued in the meantime as an existing organization of the church. The Presbyterian Record will also be continued, and other smaller papers of any of the uniting churches. The larger papers are amalgamated in the Outlook.

The committee on conferences made the following recommendations: There shall be eleven conferences of the United Church, which shall be named and bounded respectively as follows:

MARITIME CONFERENCE.—The Newfoundland Conference, comprising the territory within the Dominion of Newfoundland and that portion of Labrador coast under the jurisdiction of Newfoundland government.

18 Countries Sign Arms Traffic Pact

GENEVA, June 17.—Peace and good will among nations was the dominant note when today the international conference on the control of the traffic in arms and munitions ended with 18 countries emphasizing their desire for international co-operation by signing the arms traffic convention and 27 subscribing to the protocol outlawing the use of bacteria and poison gas in war time.
