## Places the New Edison DIAMOND **AMBEROLO**

With 12 Records of Your Own Selection - in Your Home

HERE IS YOUR CHANCE to have Edison's New Diamond Amberola—the family phonograph that plays songs and selections—all the latest and old favorites—and plays them as they should be played. Jazz for the young folks; classical music, vocal and instrumental—the Amberola plays them with all the clarity of tone and mellowness that music lovers appreciate.

And it is so easy for you to own an Amberola. The terms are so easy you'll scarcely notice them, if you take advantage of this

# Special Club Offer:

Then think of the other and great advantages of buying your Amberola right from us. It goes to your home on a trifling deposit (\$2.00), no waiting, no express charges. If repairs are ever necessary, we have an Edison-trained expert, of wide experience, right here at our store where we can make prompt repairs and send back your Amberola with least delay.

JUDGE FOR YOURSELF. Come in and hear the New Edison Diamond Amberola. Its clear, mellow music is a revelation to all who have heard the harsh, mechanical shrillness of ordinary talking machines. The music of the Amberola is the true music of the artist, and whether vocal or instrumental, it is reproduced with all the harmony and feeling of the original.

ONLY FIFTY AMBEROLAS to be sold on these special terms and the offer holds good only till Christmas.

Come in and hear the Amberola, and avail yourself of this limited offer which means the most extraordinary phonograph value
