### NEW PROGRAMME TODAY

Another programme of a superior order is being introduced at the Opera House today. The management announces the new film feature, *The Vengeance of Egypt*. This elaborate drama is presented in three reels, each of which is artistically colored throughout. The production is made on a massive scale and is in the front rank among the big picture features of the year. The plot reviews three important periods in history, viz., 1788, 1830 and 1912.

Leslie Grosvenor, the English pianist and humorist, who created a mild sensation by his clever performance the first part of the week, will be heard in an all new programme. Mr. Grosvenor after his St. John engagement goes direct to New York, where he will begin an extended tour of the larger American cities. Today's performances begin at 7, 7.15 and 8.45 p. m.

### AMUSEMENTS IN ST. JOHN:

#### WHAT THE PLAYHOUSES OFFER

**FINE MID-WEEK SHOW AT GEM.**  
The mid-week offering at the Gem Theatre yesterday was up to the usual standard and gave pleasure to all who witnessed it. There were three particularly pleasing picture productions, of which probably the most interesting was the playlet by the Lubin Co., entitled *"The Missing Finger"*, a clever drama of a detective's life, and his cross-continental search for a criminal. With a tender vein of love throughout, the picture was made more attractive. *"Tommy Stater"*, given by the Vitagraph Company, with Edith Storey in the leading role, was another offering which proved most entertaining, showing how a plucky girl kept for her brother the position which he otherwise would have held. *"Hearty Laughter"* was provoked in the presentation of the Essanay Comedy *"Her Poetic Husband"*, which abounded in funny situations. The orchestra had a nice new programme, and Miss Holcombe was heard in a late popular song hit.

#### RECENT WEDDINGS

The wedding of Miss Hattie Randies and Lewis Allan Curvell, both of Retheny, took place at the home of the officiating clergyman, Rev. L. A. McLean, last night. They will reside in Retheny.

The wedding of Miss Alice Gettridge Campbell and Morton A. MacLean, both of this city, took place in St. Jude's church, West End, last night. Rev. G. P. Scott officiated. The bride was attended by Miss Myrtle Wood and the groom by James Harned. They will reside at 124 King street West. Mr. MacLean is a son of the late Policeman James MacLean.

#### Black Foxes No Freak

Editor St. Andrews Beacon:  
Sir—I have been looking into the black fox business, into which my son is just starting. I have found the P. E. Island people the most kind and hospitable it has ever been my lot to be among. I have also found that the fox business is the great theme and the increasing volume means millions of dollars to this island.

In a late issue of your paper I saw where someone in writing said, "that a black fox was a freak" and the chances for one were one in 10,000. If the writer of that article would come to this place he would see whole families of black foxes. In one ranch I saw two females that raised one six and the other seven black foxes this year. One ranchman here sold six pairs of foxes for \$10,000, to be delivered in June next year. Some think the boom will soon be over, but it seems to me from my observation that it has only begun. The price for a pair of foxes for next year is \$10,000; I saw in a ranch one fox for which \$7,000 was refused the week before I came over here; I met W. H. Harding, who is well known to many of your readers in Charlotte county, and he has some splendid foxes in his company. Of course there are some foxes that are not black and there is need for persons going into the business to know what they are doing, but my conviction is that there will be a great deal of money made in the next few years and I would like to have some of it; even if it is a "freak." (Hoping soon to get home to old Deer Island and see you again.)

I am yours,  
JAMES W. LEONARD.

#### A Plea For Good Roads

Editor St. Andrews Beacon:  
Sir—It would probably interest the farmers of New Brunswick and the brave fishermen as well to know that at our last election, November 5, 1912, the taxpayers voted by a large majority to bond this (King) County for three million dollars, for high wall roads. We already have some fine roads here that cost \$5,000 per mile to construct. It would do your soul good to either walk, ride or drive over them. The farmers and city people not only want good roads here but they are willing to pay for them. I am not worrying you.

**ST. JOHN MAN'S ESCAPE.**  
A letter received by Sergt. Kilpatrick of the North End police division, from his son, Harry, who has just been promoted to be operator at Beauséjour, Man., with the C. P. R., tells of a fortunate escape which he had from death recently, and shows how his refusal to accompany three companions on a trolley ride to another station was the means of saving his life. They had asked him to go along with them, but being tired, he had declined. Next morning they were found, two of them dead, and the other fatally injured near the railroad track. They had been struck by a locomotive.

**NEW BRUNSWICK SHEEP.**  
J. A. Toller, sheep expert of the dominion department of agriculture, who arrived in the city yesterday, says that sheep raising in New Brunswick is gradually increasing, the success of those who have taken it up encouraging others to try. He declares that this is the best province in the dominion for sheep, the quality of both wool and mutton being unsurpassed. The farmers here are not making as much as they should from the business because of lack of knowledge of how to treat the wool.
