

Eczema 25 Years Cured by "Cunicura"

I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My own doctor has advised me to have my leg cut off, but I said I would try the Cunicura medicine. He said, "Try it if you like, but I do not think you will be cured from the knee down, my leg is too far gone." I bought a bottle of Cunicura, and I walked on crutches.

Miss Lawley Appointed a Maid of Honor to Queen Mary—Family History of Much Interest

Lookout on Titanic Had Asked for Binoculars, But With No Result—The Inquiry

Washington, April 23.—Like the missing horsehoe nail that cost a monarch his kingdom, the failure to provide binoculars for the lookouts on the Titanic was one contributing cause of that ship's loss and with it the loss of more than 1,600 lives.

WERE RUTUSED BY GLASSES

It was made to appear that the blame for being without glasses did not rest with the lookout on the Titanic, but with the committee that had asked for them at Southampton and were told that there were none on the ship.
