Scrofula, or King's Evil, B. R. STEVENSON, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it porvades the whole body, and may burst out indicase on any part of it. No organ is free from its attacks, nor is there one which if may not destroy. The scrofulous taint is variously caused by mercurial discuse, low living, dis-ordered or unhealthy food, inpure air, filth and fithy habits, the depressing vices, and, shows all by the veneral inferior. What-Attorney at Law and Solicitor. Office-Breen's building, opposite Post Office. St. Andrews, July 13, 1859. y AMOS P. TAPLEY,

ordered or unhealthy load, impure air, fifth and fifthy habits, the depressing vices, and, above all, by the veneral infection. What-ever be its origin, it is, hereaftary in the con-stitution, descending "from parents to children unto the third and fourth generation " indeed, it seems to be the food of Him who says, " I will visit the inquities of the fathers upon their childgen."-Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, sin the lungs, liver, and internal ergans, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sors. This foul cor-ruption, which genders in the blood, depresses the energies of life, as that scrothlous com-plaints, but they have far less power to with-stand the attacks of other diseases; conse-quently, was numbers periab by disorders which, although not scrothlous in their nature, are still rendered fatal' by this taint in the system. Most of the consumption which de-cinates the human family has its origin affreedly in this scrothlobs contamination; and many destructive (Basses of the liver, kidneygharsin, are be human family has its origin affreedly in this scrothlobs contamination; and many destructive (Basses of the liver, kidneygharsin, are still rendered fatal by disorders

cimates the human family has its origin directly in this scrotidless contamination ; and many destructive diseases of the liver, kinewschrain, and, indeed, of all the organiz, arise from or use aggravated by the same cause. One quarter of all our people are scrofulous; their persons are inveded by this lurking in-fection, and their health is undermined by it. Fo cleanse it from the system we must renovate the blood by an alterative medicine, and in-migorate it by healthy food and exercise. Such a medicine we supply in
