Paris, June 23.—The foreign office has ved a dispatch from M. Depresse e French minister at Port au Prince, yti, saying that while he and the in minister were driving past the yesterday they were attacked and soldiers forming the palace rd. M. Depresse was struck on the g by a stone, and was slightly injured. ministers' wives, who were in ther carriage following, were also ted. The wife of the French minister an American. As Foreign Minister se has only just received the distch he has not yet determined what ps shall be taken, but the officials conr it certain that France will make an ich warship is near the scene and her is at the French naval headrters in the West Indies. It is exed that Germany will make a similar nand for redress.

Will Demand Redress.

Port au Prince, Hayti, June 23 .- The ttack on the French minister here, who was struck by a stone yesterday thrown one of the guards on duty at the ace, was the outcome of the feeling ng the population and the governnt against foreigners, the natives deing to hold them responsible for tened financial situation of Hayti. he proceedings against the French and nan officials of the National Bank, arged with participating in the issu \$200,000 in fradulent securities early 1903, have not been ended. Some of officials are still in prison, and others ave sought safety in flight. ently connected with the National ank have been protesting against the detention in prison of the officials are under charges. The statement hat France will demand redress for the

DUNDONALD CASE AGAIN.

Ministers Will Reply to the Attack by R. L. Borden.

Ottawa, June 23 .- R. L. Borden, leader of the opposition, in the House tolong, dull speech, reiterating ail the ents in the case which have aladv been published. He asked whether were to have a non-partisan militia not, and proceeded to endervo: 10 w that Hon. S. Fisher had intro olitics into the organization of the Thir oth Scottish Light Dragoons. His atack was directed against Hon. her, and he will conclude with a retion directed against Hon. Mr. Fisher's bout the loss of the services of Lord

Hon. Mr. Fisher will reply and wil! low from Lord Dundonald's own staterent that this was not correct, and that was a mere incident in the affair. Sir Frederick Borden will also make speech, which will show that every ort which Lord Dundonald was askate. It was also the subject of corres ord Dundonald and the latter knew vell that it was a private document

THE SEALERS' CLAIMS.

Sir Wilfrid Laurier Will Make a Statement in the Dominion House To-morrow.

Ottawa, June 23 .- R. L. Borden today pressed upon the government getting the claims of sealers whose vessels were seized in Behring sea settled by Russia. Sir Wilfrid Laurier said he would make a statement to-morrow.

WILL BE PAID TO-DAY.

Raisuli Will Release Prisoners When He Receives \$20,000 of the Ransom He Demanded.

New York, June 23 .- A spot has been rimes, for the delivery of the prisoners by Raisuli and the payment of \$20,000 of the ransom. Raisuli undertakes to hand over his captives on that understanding, he other terms having already been fulfilled. The remainder of the ransom of \$55,000 will be paid to Raisuli at the same time in cheques on the bank of Tangier. With good luck, the exchange should be accomplished to-day at a spot about an hour's journey from here, and he captives should be here to-night.

Raisuli has obtained a large district to govern. The Moorish troops sent to guard Tangier received arms on Tuesday, nd guarded the outside of the town last ight. The result was that the secretary of the British legation had a mule stolen by some guards, and it was found to-day

A Moorish peasant passing near another guard was shot for no reason whatever, and was seriously wounded. To Be Released To-Day.

Paris, June 23 .- An official dispatch from Tangier says that Messrs, Perdicarls and Varley will be released to-day.

STAFF REDUCED.

Lack of Ships to Carry Away Coal From Dominion Company's Mines.

Hallfax, June 23 .- Fifty per cent. of the ployees of the Dominion Coal Company ve been dismissed on account of the lack of shipping tonnage to carry away the coal DOESN'T IT STARTLE YOU?

To know that one death in ever seven is caused by consumption? All these ople once had catarrh. But they negted it. When the weather i ou'll get cured very quickly by Catarhozone. It's a shame to keep on when Catarrhozone will clear way the discharge, stop your cough and make you well. Get Catarrhozone to-day and cure yourself. It's guaranteed.

Dr. E. C. Foote, who was appointed to in 1892, the Democratic party declared the protective tariff revision, its real object, Eugene Schaumann." party is to invite disaster. Whether, as protective system. However precious, the purpose is ever the same. A Demo-cratic tariff has always been followed by business adversity, a Republican tariff by

business prosperity.

"We have extended widely our foreign markets, and we believe in the adoption of all practicable methods for their further extension, including commercial eciprocity wherever reciprocal arrangements can be effected, consistent with the principles of protection and without injury to American agriculture, American labor or American industry.

"We believe it to be the duty of the Republican party to uphold the gold standard, and the integrity and value of our national currency.'

Chicago, June 23.-The Republican this morning with the expectation of nominating candidates, and adjourning in time for afternoon trains. The fair June morning was not spent

walls. The rooms, lately so animated, where many a good story had been told and jolly company gathered, looked quite dreary in their disorder and emptiness. The sudden fall in quotations for that tons, badges and souvenirs suggested to the visites on the way to the Colliseum. the visitor on the way to the Coliseum

that the convention was near its close. The nomination of candidates in the National convention is the feature that appeals most strongly to the public, and the number of visitors this morning gave ample evidence of that fact. Half an hour before the time set for the opening of the convention there were as many visitors in the galleries as witnessed the entire opening session of Tuesday.

Not only since the opening of the conntion have all the visitors' seats been filled, but the manner in which the crowd poured through the entrances to-day gave evidence that by the time the gavel fell every ceat would be occupied and the standing room jammed to the limit. The delegates and alternates were not as prompt as the spectators in their ar-Republican National resolutions commit- rival, and the orchestra rendered about tee declares for the "cardinal principles one-half of its day's programme while

there was a hurried conference by the managers, which resulted in an agree-ment that Alabama, the first state on the roll, would yield to New York to nomined only when conditions have so changed ate Roosevelt. It was also agreed that that the public interests demand it. All Alabama, which was the first state to instruct for Fairbanks, would yield to Iowa to place the senator's name in nomination for the vice-presidency.

> time, and tiers of people standing in rear At the conclusion of the open prayer Chairman Cannon presented an announcement that on the sixth day of July at Jackson, Mich., there would be celebrated the fiftieth anniversary of the

birth of the Republican party. Then followed an announcement that the recently-elected National Republican committee would meet in the Coliseum annex immediately on the announceme

of the convention. Chairman Cannon at once announced that the next order of business would be previous platforms, and more particular-ly in the last speech of President Mc-Kinley at Buffalo, and had been followed by the present administration in carrying out the policy of the McKinley administration. More time was great and in the chair and antration. tration. More time was spent on this subject than all the remainder of the honor and privilege of yielding its place platform, and the opponents only con-sented to agree when it appeared that stantly the convention was in an uproar-

ceptance by all countries of passports is-sued to Jewish citizens of the United the convention broke out, continuing for the convention broke out, continuing for fully twenty minutes. When the noise ceased Chairman Cannon called the convention to order to allow Senator Beveridge, of Indiana, to second the nomination. Geo. A. Knight, of California; Harry Stillwell Edwards, of Georgia; Ex-Governor Bradley, of Kentucky; Jos. B. Cotton, of Minnesota, and Harry S. Cummings (colored) of Mary-land, followed Senator Beveridge with speeches, seconding Roosevelt, after which the roll of states was taken for nomination of the President, Roosevelt ing nominated. Later.-Senator Fairbanks was nom-

nated for vice-president.

EVIDENCE OF FORMER CLERK OF RECORDS

Mr. Howse Appeared as a Witness in the Deadman Island Appeal Thursday.

(From Thursday's Daily.) To-day the Full court is hearing the vidence of A. R. Howse in the appeal evidence of A. R. Howse in the appeal left on the Princess May on Saturday last taken by the Dominion government en route for Dawson. Mr. Sn'der expects tin that Deadman Island belonged to the

appearance of the passenger. A letter spite of his advanced years, he gives eviwhich arrived here from Bremen to-day reads as follows: "The North German powers and his advanced years, he gives evidence of having retained remarkable powers." subject in dispute is quite vivid. He was ity of London. command of that part came by way of the Isthmus of Panama and reached the province in 1858. The main body came round by the Horn, and did not arrive here until the year following.

Mr. Howse was made cierk of records,

filling the office up to 1863 in a semi-military and civil capacity. After that time he continued to do the work as a civil servant at New Westminster, the seat of government.

The drafting was done under Capt.

Parsons, R. E. The field notes of surveys were handed in and from these the plans were made.

Witness recalled the survey made by Mr. Turner in 1863. There was previous to that time a plan in the office upon day struck and instantly killed by light.

the proclamation of January 4th, 1860, emptors. It was made from Capt. Richards's survey. On that plan what is now Stanley Park and Deadman Island was marked military reserve. In addition to being named military reserve they were both colored red, indicating the same thing. Naval reserves were colored

Deadman Island was not colored blue. To this question the witness answered 'No, I'm positive it was not blue.'

The witness had on different occasions heard Col. Moody giving reasons why the reserves were made. Col. Moody had selected the military and Capt. Richards the naval. They were for the protection ary and sentenced to imp of New Westminster, the capital at that been released after seventy-four days' continue. In 1860 Governor Douglas had given

instructions that no pen or ink was to be allowed to remain in the office so that scoring of the plars might take place. In to the death and interment of Mrs. This was just before the proclamation H. W. Moulton, nee Miss Von Volkenpening to pre-emption. Applicants for pre-emptions had to

granting these. The designation of Deadman Island was, witness said, a misnomer. The island was joined to the park. Apparently the tides had cut through the sandone connecting the two parts turning the peninsula into an island. Witness is being cross-examined this afternoon by A. E. McPhillips, K. C.,

for the province.

The census of Orange River Colony shows a total population of 585,000, being an increase since 1900 of 137,000. These figures include 143,000 whites, an increase of

Every Cirl's Life

of Age-How to Avoid the Dangers That Arise During This Period. The mental activity of school life, oupled with the terrible strain that must come during these years, taxes the vitality of even the strongest. A girl at this age often does not understand the physical change she is undergoing. She will in all probability be nervous and puzzled. She should have the benefit of good motherly advice and a long treatment of Ferrozone, which girls, gives them vim, buoyancy, strong nerves and healthy body. Every girl should use Ferrozone, and wise m will see that their daughters have the benefit of this health-giving tonic

Mrs. W. E. Michel, of Richmond, writes: "I can strongly recommend nervous, and had no strength. But Ferrozone has built up her whole constitu-
