County Court. Correspondence.

The Late Adam Ferguson.

To the Editor of the Miramichi Advance. DEAR SIR, -At the last meeting of Restigouche County Institute, held at Jacquet River, the 12th and 13th inst., the following resolution was unanimously agreed to: dence to remove from our midst by death, Mr. Adam Ferguson, of Athol House, a gentleman of genial and refined social manners, and broad, liberal education, a The Northumberland County Rifle warm friend and promoter of the school Association will hold a match at the system and of all measures calculated to

> ers of Restigouche County in Institute assembled, record our feelings of heartfelt of education in general have suffered by his death, and tender our sincere sympathies to the sorrowing members of his Campbellton, July 16th, 1883.

Jottings by the Way.

There is probably no part of the Continent which presents greater attractions, at this season, to the tired denizen of the city, than the northern part of New Brunswick. A recent trip hurriedly made by your correspondent to the Bay Chaleur furnished abundant evidence that this was rapidly becoming known to a large and yearly increasing number of those who, having the means to do so, forsake the hotter parts

the day following. Excursion rates will be given on the Railway for the occasion.

A LARGE LOBSTER.—The Jersey Weekly Express of June 30th, says "A monster lobster is about to be exhibited at the Fisheries Exhibition, which has been sent over from America. It measures three feet in length and one of its claws weighs eight pounds the total weight being about carved boss. Up each side is a row of abundant harvest extending on our left, choice which will be more than justified carved crochets, which terminate under presented a picture we shall not soon hereafter. It is probable that Col. Maun-
