who may have a little influence with such premote the well-being of the community members of parliament as Mr. Turgeon, at large. In the same manner, the auglers — like other sportsmen — bring health of King Edward is published in the but of all the people.

If it is necessary, in the general interest money to the county. They pay well for of the fisheries, to restrict the length of uets or have them entirely discontinued few fish they get, and their annual visits in certain localities or places, it is wise are thus beneficial. Mr. Turgeon, howadministration to do it. This was done, ever, appears to lose sight of all this and, secretary to his uncle in 1878-80, when the Marquis of Salisbury was Secretary of State for Foreign Affairs. He was engaged at Berlin at the famous meetings in 1878. He was called to the government board, and he subsection in 1885, becoming president of the local government board, and he subsection in 1885, against the regulations which prohibited against the regulations which prohibited against the regulations which prohibited at the subsection of the respective for the sake of carrying his point of restablishing salmon net-fishing where it was properly prohibited years ago, because it was menace to the existence of the whole salmon fisheries of the Nepisiguit, as well as a detriment to the navigation of any kind has arisen when the necessity for restricting the use of nets was first acted on, he would, no doubt, have joined those who protested against the regulations which prohibited and physicians treubles of undoubted merit, and is prescribed now by all doctors and physicians who are abreast of their profession. Hose stablishing salmon net-fishing where it was properly prohibited years ago, because it was a menace to the existence of the whole salmon fisheries of the Nepisiguit, as well as a detriment to the navigation of against the regulations which are the formulation of the sake of carrying his point of restablishing salmon net-fishing where it was properly prohibited years ago, because it was a menace to the existence of the Nepisiguit, as well as a detriment to the navigation of any kind has arisen when the necessity for restricting the operation no trace of malignant disease was observed, that no suspicion of any kind has arisen when the necessity for restricting the use of neither during the operation no trace of malignant disease was observed, that no suspicion of any kind has arisen when the necessity for restricting the use of neither during the operation no trace of malignant disease was observed, that no suspicion of any kind has arisen when the necessity for restricting the operation of any ki against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river, he against the regulations which prohibited the semi-tidal portion of the river of

Crimes Act brought down on him the severest reproaches from the sister i-le, where he was alliteratively called "bloody Balfour," but in England he was hailed as a rising statesman. On the defeat of his party he became leader of the opposition in the Commons and acquitted bimself with a good above the Commons and acquitted bimself with a good above the fishery that disintenests and the coast of the coast of the fishery that disintenests and the coast of the coast of the fishery that disintenests and the coast of the coast of the fishery that disintenests and the coast of the fishery that disintenests and the coast of th I beg to return thanks to my patrons for their favores of 1901, and as the year has come to a close the most important feature of any business is to make the next year more successful than the last. With that special object in view I have selected my stock from best houses in the Dominice of Canada and United States and bought it at the lowest prices, so as to still enable me to imcrease my business by selling goods cheaper than I ever did before.

I beg to return thanks to my patrons for their favores of 1901, and as the year has come to a close the most important feature of the fishery that he would go further and remove long-terain that when the Conservatives should again attain power he would be the setablished restrictions above the Bathurst Bridge over the Nepisguit river; and because the Advance claims that it is dangerous to the existence of the #legitimate coast fishery to do so, he untruthfully states that we are endeavoring to is famous as a golfer, and was prominent is famous as a golfer, and was prominent of their favores of 1901, and as the year has the year has the four than the services of the future of the fishery that he would go further and remove long-termined for Gloucester who will endorse the advice he appears to have received from Mr. Turgeon; and the mistake he has made ought to warn him that it will be safe hereafter to receive any recommendation that gentleman may make with the greatest caution. As one of the papers of the province which promoted Mr. Turgeon's unopposed election to his present

> who may be influenced by him, we feel LIBEL SUIT :- Papers were served constrained in the public interest to follow Mouday on editor James H. Crocket, of the Fredericton Gleaner, in a libel If men of the Turgeon stripe can induce the Department of Fisheries at Ottawa to C. J. Milligan, of the St. John Television re-establish nets for the capture of salmon graph. The cause of action arose out of of 3rd instant to the bad faith of the where they have been found dangerous to 4 letter, presumably written in St. John, the existence of the fisheries, we shall published in the Gleaner, in which Mr. soon have the new poilcy worked for all Milligan claims he was libelously refering new salmon-nets in semi-tidal it is worth, not only in the semi-tidal red to. Mr. Crocket seems to be defiant waters—those of the Nepisguit and waters of the Nepisguit, but in all other and Mr. Milligan determined.

M. P. for Gloucester county. That genbe worth engaging in ?

tleman has, with amazing alacrity and Mr. Turgeon is, therefore, amongst the Hospital needed reforming, after all, as It is evident that St. John Public maccountable inconsistency, started, worst enemies of the legitimate coast the report of the commissioners appointed in his paper, the Courier, to run amuck against the editor of the Advance the about Bathurst bridge, he would prevent about Bathurst bridge, he would prevent recommending some radical changes. The in his paper, the Courier, to run amuck fishermen of Gloucester because, for the to investigate its management have sub-New Brunswick government, and also shout Bathurst bridge, ne would prevent recommending some range. In the brundreds of salmon from ascending the commissioners found there was cause for sundry "sports" or visitors to the Province, whose identity he weils in congenial innuendo. Not only so, but, as if to suggest the old legend of the live ass salmon fishery, Mr. Turgeon invents and recommended nine more lady nurses, which mustered up sufficient courage to kick the dead lion, he assails the is desirous of interfering with those who a general superintendent or head nurse We desire to say in a word : that the number of commissioners be a coarseness which must be a surprise, neither the ADVANCE nor its editor has reduced to five, and that \$25,000 be important issues he was non-committal. expended in improving the building.

A Highway Bridge Over the

We are glad to hear that there is of the present Minister of Fisheries in establishing net fishing for salmon in semi-tidal water above Nepisguit highthe House of Commons, some twelve of Mr. Jas. Reid, M. P. for Restigonche is no finality to human affairs." The time way bridge, was wrong. We claimed that it was not only a menace to the then dinister of that it was not only a menace to the fisheries and the government to cancel the fisheries and the government legitimate salmon netting industry of net licenses above Nepisguit bridge, in Blair has entertained the idea of including London. It would be a great spectacle, but the county of Gloucester, but a depar- order that he (Burns) might profit thereture from the policy of the Department by in the sale of angling rights in which, proposed alterations of the f. C. R. nations owing allegiance to the same flag. for many years, as well as a violation Mr. Turgeon asserts, he was financially bridge. It may appear singular to many New Brunswickers, in view of the fact | The capture of Benj. D.Green and John between the Provincial and Dominion
governments when the former agreed true, not only because the late Senator vides its people so well with bridges, that to the state of Georgia for trial on charges Burns was a very clean man as between there is no highway bridge crossing the of misappropriation and embezzlement of to permit the latter to continue the dispersion and semi-later to continue the administration of our tidal and semi-later to continue the dispersion and embezzlement of Restigouche, which forms the boundary over two million dollars in connection interests, but also because we know that line between the two provinces as far up with river and harbor improvements a Mr. Turgeon is incapable of discriminating as the Patapedia river, yet such is the Savannah, Ga., have been sought for some Mr. Turgeon, if he felt called upon between truth and falsehood—fact and fact. The reason, no doubt, is because time by the United States. It is now to defend the new policy of the Depart- his own imaginings—in his statements on the government of Quebec is behind foolishly said by the yellow press that the ment, might have done so with some the fishery subject. It is easy to slander all others of the Dominion in bridge matter will take on a diplomatic phase in regard for the decencies of public disthe dead, but a member of parliament building enterprise. NEWS AND NOTES.

Trains are now daily running the 200 mile journey from Liverpool to London in Acadians of New England will be held at Waltham, Mass., on August 16. Judge

Landry, of Dorchester, N. B., will speak on the Acadian People, and Rev. Philip Belliveau on the Acadian Clergy. There are in the borough of Brooklyn 20,000 apartment or tenement houses (1-ss than half the number of New York) 11,000 stores, 10,000 stables, 5,000 factories, 541 hotels or hotel saloons, 315 schools, 540 churches, 90 theatres, 91 lodging houses, 215 clubs, 46 station houses, 126 engine

houses, 153 hospitals and asylums and

1.300 warehouses. The minister of marine and fisheries of the Newfoundland Government has issued a statement which shows that the total extent of the damages wrought by the recent storm to property and fishing interests on the coasts and in the outer allowance for property that has been partially recovered, reports show that the loss will reach \$500,000.

Sir Wilfrid Laurier made an admirable speech at the Empire Coronation banquet The granting of representative institutions said Sir Wilfrid, has brought prosperity, contentment and unity to the Empire. I would be fatal to try to force events in the British Empire. Any pre-conceived plan prospect of having a highway bridge com-bined with that by which the Intercolonial experience," said Sir Wilfrid, "has clearly
