### BRITISH M. P., WOULD MURDER EX-WIFE.

Tried to Hire a Detective to Youthful Jail Breaker Mystifies

Wife \$25,000 Damages—Sequel to a Famous Scandal.

(Special cable to the Star.) LONDON, Sept. 9.—The memorable Beauchamp-Watt matrimonial litigaion, which began in 1902 by Mrs. Julia

Freke Palmer, who appeared for the defence objected to the evidence as these instructions were private between the witness and his client. Mr. Kennedy said that he could refuse to answer if he liked.

As it was market day Smarth got safely away. Twenty minutes after locking him in the exercise yard the officer responsible for the prisoner returned and was astonished to find

nedy said that he could refuse to answer if he liked.

Continuing Mr. Marshall said that he afterwards saw Mr. Watt several times and that he also saw Mrs. Watt. He called upon Mr. Watt by appointment at his address, No. 72 Knight's Birdge. After some conversation concerning his interview with Mrs. Watt Mr. Watt became very violent against her and said that he would "do for her." Mr. Watt, he said, then took up a wooden case from his desk and unscrewed it. Inside it was a small bottle containing a white liquid. He said it was chloroform, and asked Marshall to induce Mrs. Watt to call at No. 72 Knight's Bridge. According to the wittensor on the middle of the wittensor of the wittensor of the said incident. The antecedents of this modern Jack Sheppard are unknown. Knight's Bridge. According to the wit-

"I have a room prepared. I'll give her a push, chloroform her, and then I want you to run for the doctor (men-Marshall replied, "You must be mad," and he added that he would have nothing whatever to do with the affair. Another appointment was made for the following Thursday and Mr. Mar-shall arranged that the interview should be overheard by two of his men outside of his room. Mr. Watt, he said, repeated the proposition, adding cost per horse-power per year in this that he would take the smell of the city is \$60, has created much a chloroform away by pouring some essence of peppermint between Mrs. Watt's lips. He said that the doctor would certify that the cause of death light at a cost of \$30 and other on a was heart disease, and that the body would be cremated within forty-eight the rallway company operating gas and

"I will give you \$25,000," said Mr. er than any other concern in the city, Watt, according to Mr. Marshall. "I and the cost should be proportionately
