But, thank God! it's over and I'll soon be free. I'll be glad to get in-to the world once more." These are the words of Actor James B. Gentry, patiently awaiting the re-ceipt of his pardon from Governor Stuart, then to be released from the Eastern Penitentiary, where he has been a prisoner for fourteen years. Gentry was convicted of the killing of Madge Yorke, an actress with whom he was infatuated. He was sentenced to death, the sentence was commuted to life imprisonment and, a few days ago, the State Board of Pardons act-ed favorably upon the latest petition in his interest. Gentry was told yesterday by War-den Robert J. McKenty that the par-don had been granted and required only the Governor's signature. It is expected that it will be received to-morrow or Weinesday, and Gentry will be set free immediately. NO PLANS FOR FUTURE. some features which are of more than passing moment. Although comparaw. The full reveation is those women only to the police, but those women who filled their Chinese lovers' trunks Might draw my senses under; NO PLANS FOR FUTURE. He has no plans for the future. He will go from the penitentiary to the home of a loyal friend and remain there three or four days before deter-mining what he will do now that he has his freedom again. His last Sunday in the great stone prison where he has marked the com-ing and going of '90 Sundays, was spent in his cell. He iparticipated in the usual Sabbath services to the ex-tent to which the prisoners are per-mitted to do so-permitted only to lis-ten to the sweet melody that radiates from the center of the prison gdown the long aisles upon which the cells border. ndearment are now, it may be guesswith letters contain I lost in sweet forgetting The clamors of the stirring world, Its labors and its tretting. ed, feeling rather nervous. As from the bud The chill checked flood Of sap goes hackward creeping, So falls this sense Of indolence Under the system of Chinese settlement work conducted in New York, and especially by that organization to which Miss Sigel attached herself, white girls devote much of their time When Aprils skies are weeping. to teaching individual Chinese the to' teaching individual Chinese the English language, and at the same time something of the Christian relig-ion. There has frequently been critic-ism of the policy which permits young women to associate so much with these Chinese. It is recognized that the re-lations thus formed are wholy at var-lance with those existing in the east, where the ordinary Chinese scarcely knows what it means to speak to a female who is not his wife. The shock of enjoying comparative intimacy with "Then I met a young man of a more prepossessing appearance than my two previous lovers, and coming from a weathy, family. This love affair was progressing delightfully, until L chanc-ed to meet his boson friend, who had the misfortune to capture my heart. From that time I was obliged to meet them on alternate days. Fortunately, or unfortunately for me, they died within one month of each other and left me free to choose affinity number five. border. None of the prisoners are permitted out of their cells during this service; and Gentry has been no exception. There is usually a brief, optimistic sermon, a prayer or two and several cheery hymns—all within the hearing cheery hymns-all of the prisoners. THE TIME OF HOPES. of enjoying comparative intimacy with CONVERTED WHILE IN PRISON. Gentry was converted recently to the E biscopal faith, and he was one of d. class of twenty-nine prisoners confirm-ed by Bishop Henry Robinson, of Ne-vada. Even before that time he was deeply interested in the religious ser-vices. Gentry devoted some time yesterday to the reading of his Bible. He dison had a long talk with Warden McKen-ty as to the plans for his departure. "Well, it is true at last," he said. "I have hoped and prayed for it, but there were times that I had lost hope cxcept for the confidence inspired in me, by my good and loyal friends, Oh-they have been friends, indeed! I don't know how I can repay them, how I can show my gratitude. "T wish that I could meef every in-have shown an interest in my case. I feel like seeing every one of them, and shaking their hands and telling them how thankful I am." HEALTH IS IMPAIRED.
