Whatever your trouble, do you find it stubborn to treat? Do you wonder why you do not get cured? Are you sometimes almost discouraged?

Try doctoring your bowels. Don't imagine because you seem regular, or maybe once a day for a time, then a day skipped, and so on, that you have healthy bowels. Everybody needs a gentle laxative occasionally. Where you think you may be all right, you may be all wrong. Likely as not it is the cause of something else you are suffering

LAXA=CARA TABLETS do not purge or strain. One after each meal acts upon the intestinal canal gently but surely, cleaning it out completely.

This gives every other bodily function a free and healthy action. It allows Nature to take her course, where she has been obstructed before. Even though you are what you imagine reasonably regular, that is no sign you do not need LAXA-CARA TABLETS.

Try them and know that there is one sensible and effective cure for clogged bowels. The chances are that is the seat of the trouble you are suffering from. They will do you good, anyway, and will probably show you the truth of some things.
