

Cheap Drug Store.

THE Subscriber having bought out the Drug establishment and business of Mr. F. W. Brown of which he has been the manager for eighteen mouths, intends to carry it on, on his own account. From nearly four years experience of the business he feels confident that he can afford to the public satisfaction, both as to the quality of the goods which he will keep for sale, and in his own personal satentiation to the making up of prescriptions, and to the general waste of customers.

On commencing business for himself he feels that his success must depend upon strict attention to the demands of the business, and to the quality of the goods he keeps; and he trusts that in both these respects the management of his shop will be such to insure a fair share of the public confidence and patronage.

He will keep constantly on hand a full stock of DRUGS & MEIMCINES,

DRUGS & MEDICINES, PATENT MEDICINES, and an assortment of Toilet Articles, and a
