A MEDICAL REVOLUTION!

THE WORLD UNANIMOUS! HOLLOWAY'S OINTMENT. THE GREAT CURE FOR: The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating ointment, which is rubbed in, is absorbed through the same channels, and reaching the seat of inflammation, promptly and invariably cures it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the forest earth diffusing its cool and regenerating influence. SKIN DISEASES & GLANDULAR SWELLINGS. Every species of scabious eruption is quickly reduced by the anti-inflammatory action of this Ointment. ANGRY ERECTIONS, such as SALT RHEUM, ERYSIPELAS, TETTER, ROSEWORM, SCALD HEAD, NERVE RASH, SCALDS (or local) &c. &c. cure, to return no more unless its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands. ELUCID, SORES, AND TUMORS. The effect of this unrivaled external remedy upon scrofula, and other violent aches and pains, is almost miraculous. It first discharges the poison which produces suppuration and pood flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent. WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bones, injuries caused by steam explosions, Burns, Bruises, Sprains, Strains, Stitches, or the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor to persons in all the leading Hospitals of Europe, and in private households should be without it. UNDENIABLE TESTIMONY. The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for scalds, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Armies. Hold the Ointment and Pills should be used in the following cases: Burns, Scalds, Sprains, Strains, Stitches, or the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty.
