

ST. JOHN (Portland).—Rev. E. C. CADY, Pastor.—We have nothing of special interest to record. Our changes have been few. God has converted some souls, and we pray that he may more abundantly bless us in the future.

SAINT DAVIDS.—Rev. A. D. THOMPSON, Pastor.—At the present time we are favoured with revival tokens. Our pastor expects to baptize next Sabbath. We hope it may be a prelude to great good.

ST. FRANCIS.—W. A. J. BLEAKNEY, Pastor.—We are very anxious to have the preaching of the Gospel continued, and hope the Board will continue to remember us. We are like sheep in the wilderness, and need the care of an under-shepherd.

ST. PATRICKS.—Rev. A. D. THOMPSON, Pastor.—Nothing special to communicate.

SCOTCH TOWN.—No Pastor.—Nothing special to communicate.

SOUTHAMPTON.—Rev. J. H. TUPPER, Pastor.—We are thankful for past mercies, and hope for better days.

SOUTH RICHMOND.—Rev. G. R. CAMPBELL, Pastor.—We have built a new house of worship, which was dedicated July 11th. We enjoy refreshing seasons in our prayer meetings. We are zealous for the prosperity of Zion, and are united in brotherly love and unity, without an exception.
