OUR COMPETITIONS

For Boys and Girls

CAN YOU FIND THE NAMES OF FLOWERS?

This competition is similar to the recent Tree competition. In each paragraph the name of a flower will be found, but on this occasion the name is spelt backwards; that is to say from right to left, as in this example: "Well, sir, I think all able young men should enlist." Here you will find that the words "sir" and "I" read backwards, make the word "Iris," which, of course, is the flower meant. Try and find the names of the other flowers in these paragraphs:

1. He was one of the first to don khaki. Is he sorry for it?—oh dear no!

tramp.

6. 'Bring the paraffin oil, Edna dear, it is time to light the lamps,' she said.

7. Directly she left the farm her health began to fail. Had she remained at home she would probably not be now sick.

8. The team won the match by good combination work and by same play.

snappy play.

The contest is open to any boy or girl not over fifteen years of age, and each entry must be accompanied by one of the usual coupons correctly fifled in. To the senders of the two most correct, and neatly written out list of flowers, I shall award beautiful story books.

All attempts must reach this office by April 12th addressed to
