## **DEFICITS OF** CITY LINE ARE NOT EXPLAINED

Give Information Asked.

SWITCHING COST \$30,000

Interesting Facts Brought Out At Probe Into Hydro Radials.

St. Catharines had voted strongly for nydro-electric radial railways were given here today before the royal commission inquiring into the Ontario Hydro-Electric Power Commission's roprietor of the St. Catharines Brass in moving freight, and said that any line that would give delivery in Toronto from St. Catharines or vice-versa in 24 hours would get all the business. Ald. Rose stated that the merchants of St Catharines were handicanned owing to the absence of electric railway facili

Again on Stand. J. E. Richards, manager of the London and Port Stanley Railroad, was on the witness stand for some time again today and was cross-examined by R. Windsor Committee Will In-S. Robertson, counsel for the municipalities opposed to the radial railway schemes, and by I. F. Hellmuth, K. C., Government counsel

ties from the district west of that city

He questioned Mr. Richards as to the first six months' business in any one year, and pointed out that the company's report showed an apparent deficit each first six months up to 1919, except in 1916, when there was a sur-plus. The witness said he could not say offhand how those six months periods worked out, and he could no state whether it was a factor or not, as asserted by Mr. Hellmuth, that in other years the January to June operations had not shown a surplus.

"If the half-year, January to June,
1916," said Mr. Hellmuth, "showed a the corresponding six months, can you Promises Information

"Of course, the first six months in have no business across the lake," re-plied Mr. Richards. He promised to get the information asked for by the crown

shore resort passenger service. The company's total switching charges were \$30,000 per year. Mr. Richards said, more than half of this amount being paid in London. The company's freight business, he admit-

road's equipment consisted of four or five box cars and six or eight flat cars. Mr. Hellmuth—Almost negligible. And almost all your big freight, such as coal and steel, which comes from the United States, comes by ferry in cars?'
Mr. Richards—Yes.

## **NEARLY CRAZY** WITH ECZEMA
