

POPULAR YOUNG COUPLE WERE MARRIED WEDNESDAY

Andrew's Church was Packed to the Doors By Their Many Friends.

One of the largest and most fashionable weddings that ever took place in Sidney was celebrated on Wednesday at St. Andrew's Anglican church when Mr. Bedford Roy Brethour was united in the bonds of holy matrimony to Miss Pearl Harrison, daughter of Mr. and Mrs. Thomas Harrison. Rev. Mr. Flitton, a former pastor of the Sidney and Saanichton parish officiated. Testifying to the popularity of the bride and groom the many friends of the young couple turned out to witness the ceremony, the church being so crowded that many found it difficult to get even standing room.

The bride entered the church on the arm of her father, who gave her away. They were met at the altar by the groom and his best man, Mr. Edgar Brethour, of Vancouver, brother of the groom.

The bride looked sweetly pretty in a dress of ivory charmeuse satin, trimmed with pearls and wore a veil and orange blossoms in her hair. She carried a large bouquet of marguerites and was attended by the bridesmaids, Miss Lorna White, niece of the groom, in pink brocade crepe, and Miss Gertrude Harrison, sister of the bride, in white silk. Both these young ladies making dainty bridesmaids.

As the bride entered the church the choir sang, "The Voice that Breathed O'er Eden," and while signing the register, "Mendelssohn's Wedding March" was played by Mrs. Jas. Critchley, who presided at the organ. The church was beautifully decorated with arches of climatus and the altar with marguerites, the family pews being tied with white sweet peas and ribbon. Mr. J. J. White, brother-in-law of the groom, acted as usher for the occasion.

After the ceremony the guests assembled at Tandridge Hall, the residence of the bride's parents, where the bride and groom, standing in a bay window, received the congratulations of their many friends. Afterward the bride cut the wedding cake and very dainty refreshments were served by a bevy of young girl friends of the bride. Mrs. A. L. Wilson and Miss Robertson poured the tea, while Mrs. Harrison, who was becomingly dressed in a violet brocade voile, was assisted by Mrs. J. J. White. The bride slipped away to change to her travelling dress, which was a navy blue tailored suit, with neat little hat to match.

The bride and groom, who left by auto for Victoria en route to Seattle, Portland and the Glacier for a two week's honeymoon trip, were the recipients of many handsome and costly presents. The young couple on leaving were generously showered with rice, confetti and old shoes. On their return they will reside at their handsome new residence in Sidney.

CELEBRATE SILVER WEDDING ON TUESDAY EVENING LAST

Mr. and Mrs. Gehrke Hold Reception in Berquist's Hall in Honor of the Event.

Mr. and Mrs. H. Gehrke, our well known and highly esteemed townspeople, celebrated the twenty-fifth anniversary of their wedding day by giving a reception and dinner in Berquist's hall on Tuesday evening last, when guests to the number of seventy gathered around the festive board and did justice to the good things provided. Friends of many years standing were there from Vancouver, Seattle, Tacoma and many other coast cities, as well as a goodly representation of the residents of Sidney, to extend their hearty congratulations to their host and hostess on the completion of a quarter of a century of happy married life.

Mr. and Mrs. Gehrke have been residents of Sidney for the past seven years and during that time have made for themselves a host of friends who wish them every success and happiness in the years that are to come. They were both born in Germany and about thirty years ago they emigrated to the United States and located at a place called Menomonie, in Wisconsin, where their marriage was celebrated on the 13th day of July, 1889. For twenty-three years they made their home in this town and in due time became the father and mother of a large family of ten children, five of whom are still living and were present at the reception on Tuesday evening.

After the guests had partaken of the splendid wedding dinner provided the reception took the form of a dance in the main hall which had been prettily decorated for the occasion and where one and all thoroughly enjoyed themselves until a late hour in the evening.

Those present were: Mr. and Mrs. Henning, Mr. and Mrs. Michael, Mrs. R. Henning, Mr. Wm. Henning, Miss Anna Henning, Miss Frida Miller, of Snohomish, Wash.; Mrs. Ratzman, Seattle; Miss Katy Kitzel, New Westminster; Mr. and Mrs. A. E. Moore, Mr. and Mrs. Simister and Miss Margaret Simister, Mr. and Mrs. Teitz, Mr. and Mrs. Stratford, Mr. J. Bate, Mrs. H. Bate, Mr. T. Bate, Miss M. Miles, Mr. John Graham, Mr. Robert Graham, Keatings, Mr. Schale, Saanichton; Mr. Thos. Granger, Mr. Bert Granger, Keatings, Mr. W. Cowell, Mr. and Mrs. Montgomery and friend, Mr. and Mrs. Hummer, Mr. and Mrs. Karlberg, Sidney Island; Mr. C. Nelson, Mrs. Nelson, Miss Lindsay, Mr. D. Horth, Mr. B. Horth, Mr. L. Horth, Miss Millie Horth, Mr. Sam Roberts, Mr. Jack Roberts, Mr. Wilfred Lait, Mr. and Mrs. Atwood, Mr. and Mrs. Merryfield.

DEEP COVE MEETING WAS ALSO ADJOURNED

Evidently the ratepayers of Deep Cove were up against the same proposition in regard to information as were the districts of Sidney and North Saanich, as the meeting held last Saturday was also adjourned. After Mr. McDonald's report had been read the selection of trustees was proceeded with and resulted in Mr. George Simpson, Mr. C. Moses and Mr. Rufus Horth being elected to positions on the school board.

The adjourned meeting will take place on Saturday, July 18th, at the Deep Cove school house.

NORTH SAANICH MEETING POSTPONED ONE WEEK

Lack of information from the Department Was the Cause.

The ratepayers of the new North Saanich school district met last Saturday, according to the advertisements sent out by the department, but when the meeting was called to order it was found that the assessment roll for the district, together with other information in regard to the forming of a new district, and which should have been furnished by the education department, was not forthcoming.

Mr. S. Spencer of the Experimental Farm was elected chairman of the meeting, and Mr. Percy Scholes, secretary. After receiving the report of Mr. A. McDonald, secretary of the old North Saanich school board, the meeting proceeded to elect three trustees for the district. The unanimous choice of the gathering fell upon Mr. A. McDonald, Mr. Geo. Clark, and Mr. Samuel Spencer. Mr. Wilkin son received the appointment of audit or for the ensuing year.

At this juncture it was found that certain information was not at hand and a motion was put and carried that the meeting adjourn for one week. This adjourned meeting will therefore be held to-morrow evening, July 18, at 7.30 o'clock, in the North Saanich school house.

PATRICIA BAY WEARF.

Messrs. Mackenzie and Mann, Limited, are calling for tenders, which will be received up to Monday morning next for the construction of a wharf at Patricia Bay (formerly known as Union Bay), Saanich Inlet, a distance of approximately eighteen miles from Victoria. Plans and specifications may be seen at the office of the company, Pemberton Block. The work is to be completed within seventy days from the date of signing the contract.

RENOVATING AN OLD ORCHARD

There can, of course be no specific method for renovating an old orchard. One can only endeavor to make up for years of neglect. It may, indeed, be impossible to bring an orchard back to profit if the trees have become thoroughly weakened by disease, but if the orchard is passable and in fair order it is worth a trial. The first operation will be to work the land—trim up the trees, removing some so that you can get to work with a team; utilizing disc harrows, grubbers or any machine that will do vigorous work. If the roots are not too near the surface, use the plough. If it is impossible to do this, then make holes in the ground and put in some grain and turn the pigs in to root for same, or pasture both sheep and pigs and feed the stock. If not feasible, and the orchard hopeless, cut it down. Once having loosened the surface supply plant food—farmyard manure, fertilisers, green tops. Heavy pruning will no doubt be necessary to make the tree manageable, and produce new wood for fruit bearing. It will be necessary for the trees to be thoroughly sprayed. If the trees are strong and healthy, but the wrong variety, grafting can be attempted, and if properly done the trees ought to be completely

changed to a new variety in three or four years. The probable reason why old orchards are barren is because they are in grass—that is they are untilled and never manured. Certainly some few orchards have done well, which are in grass, but the system is wrong. The soil must be worked and the fertility kept up by cover crops and fertilising agents. In a word, attention must be given to pruning and tillage. See that a good variety of trees is obtained—that is the best assortments, and be particular to ward off fungi and insects pests by spraying.
