APPLETON WELCOMES HER SOLDIERS

The reception given on Friday  
evening, June 20th, to our Returned  
Soldiers, was a grand success. The  
weather was ideal, everything around  
our glorious world seeming to speak joy,  
gladness and peace to everybody. It  
certainly was a pleasure to be present,  
to see each and every person greeting  
one another as they met. The crowd  
was the largest ever seen in our beauti-  
ful little village at a social gathering.  
There were eight different townships  
represented also all the surrounding  
villages and towns as far as Montreal  
were represented. In fact everybody  
was here. About 8:30 Mr. Jas. Syme,  
Reeve of the township took the chair  
and drew the attention of the audience  
to the fact that there was an excellent  
programme all ready. Mr. Syme in a  
few chosen words, extended a hearty  
welcome to everybody, and was glad to  
be present at such a loyal gathering of  
our people, to show our brave boys and  
nurses that we wished to return our  
grateful thanks for their brave deeds in  
defending our country and our homes.

The programme was as follows:—Solo,  
Mr. Alex Wilson; chorus, "Maple Leaf  
Forever," girls and boys; solo, Miss  
Lizette Wilson; recitation, Miss Valda  
Lawford; solo, Mr. Pete Campbell;  
address, Mr. T. A. Thompson; chorus,  
"Red White and Blue," girls and boys;  
address, Rev. Canon Elliott; recitation,  
Miss Valda Lawford; address, Rev. Mr.  
Lawson; solo, Mr. Alex Wilson; address,  
Rev. A. D. Fraser.

The presentation then took place,  
the address being read by Mr. Jas. Paul, and  
rings and lockets, were presented to the  
soldiers by Mr. Ed. Dowdall and Mr.  
Herb Splane. The nurses were pre-  
sented with red cross rings.

A letter of condolence was read by  
Mr. Geo. Buchanan to Mr. John  
Hueston, expressing our deepest sym-  
pathy on account of the death of his son  
Frank, which took place at his son's  
Cleaning Station, France.

Lieut. Wilmer Campbell and Pte.  
Arthur Auty both gave short addresses.

Mr. Geo. Ashman moved a vote of  
thanks to the reception committee and  
chairman, for the excellent programme,  
and all those taking part, which was  
seconded by Mr. John Turner and

day last.

James Barr left yesterday for a two-  
months' visit with relatives in Webb  
and Swift Current, Sask., and other

St. Andrew's Presbyterian Church  
pulpit, Lanark, is now declared vacant.  
Last Sunday Rev. J. C. MacLeod de-

livered his farewell sermon prior to his  
departure for his new field of labor in  
North Battleford, Sask. Last Thurs-  
day evening a social was held in St.  
Andrew's church and Mr. and Mrs.  
MacLeod were each presented with a  
purse of \$100 from the united congre-  
gations of St. Andrews and Zion Church  
with an address.

A coin has been handed to the Era  
by Mrs. J. C. Cooper, Lanark. Although  
the coin is in good condition it is 109  
years old and was unearthed by Mrs.  
Cooper in the garden one day last week.  
It bears the date 1813 and the margin  
is inscribed, "Trade & Navigation"  
with a figure of a three-masted schooner.  
The other side of the coin, which is of  
copper and a trifle larger than a Cana-  
dian one cent piece, bears this on the  
margin, "Pure copper preferable to  
paper" and "Half penny token" in the  
centre. This coin has evidently been  
brought over to Canada by some of the  
pioneer settlers of Lanark.

We are pleased to learn that Mr. M.  
N. Playfair, engineer of Penmans, Ltd.,  
has invented a safety device on which  
he has been granted patents in the  
United States and Canada. The  
appliance is for use in connection with  
the valves of the water gauge glass of  
steam boilers. The inventor being an  
engineer and having had numerous  
occasions to close the valves when a  
glass broke, realized the need for such a  
device, hence the invention. Its use is  
not restricted to water-columns alone  
but can be used on overhead valves also.

Mr. Playfair has already had several  
inquiries and intends disposing of his  
Patent rights as soon as a reasonable  
offer is received.

"how time does fly. Thirty years ago  
I sat in this very front seat, and it seems  
to me as if it were but yesterday. If I  
am not very much mistaken you'll find  
my initials carved on the desk."

ARE YOU UNDER-INSURED?

you did so to protect your dependents.  
It has been estimated that the pre-  
sent day value of a dollar, as compared  
with a very few short years ago, is  
only about **Sixty Cents**.  
Therefore in the basis of your insur-  
ance requirements a few years ago, you  
are now underinsured about 40%.  
Your requirements for Life Pro-  
tection have probably increased.  
See our local Agent, he will explain  
how in a reasonable way you can make  
up the missing 40%.
