A CASE WHERE DOCTOR'S AGREE

Medical Science Practically Unanimous as to Treatment of Colds and Influenza.

Doctors are practically unanimous in agreeing that the drugs which are used in such cases are Aspirin, Phenacetine, Quinine, Salol, Caffein, Citrate and Camphor Monobromate. Any physician will tell the reader that this combination may safely be trusted in the treatment of a cold or a case of Grippe. It is also a combination which does quick and effective work.

The objects sought by the treatment are the keeping of the system open in order that the systemic poisons generated by the cold may be thrown off, the reducing of the feverish conditions accompanying the cold, the alleviation of the clogged up condition of the head and the soreness of the muscles usually present and the general toning up of the system.

Grip Fix, a preparation now on sale at all drug stores is a combination of all the ingredients advised by physicians for effective results. Grip Fix has a record of relieving a cold in a night and even a case of Grippe in 48 hours. With a box in the house full safeguard is at hand if colds break out. Be sure to get the genuine Red's Grip Fix with the formula printed on the box. It sells at 35 cents—a small price for a treatment so effective for colds. On sale by all druggists.

WINNIPEG, Dec. 16.—Contracts on hydro-electric extensions in Winnipeg's municipal plant will be awarded to Ontario and English firms and none will go to Americans, owing to the high exchange rates. The amount will run close to five million dollars.

HEART FLUTTERING EASILY CORRECTED

Good Advice to Folks Bothered With Palpitation, Weakness, Etc.

If your heart flutters, be careful. An attack is liable to come one at any time. Excitement, over-exertion or emotion may cause it.

If blood rushes to the head, if palpitation and short breath are noticeable, there's cause for alarm.

If you want a good honest remedy try Ferruzone. We recommend Ferruzone because we know it's just right for heart trouble. It cured A.F. Beattie who lives at Allen Hotel, Bay City, Mich. See if your symptoms resemble these:

Some Symptoms of Weak Heart
Nervousness, Palpitation,
Trembling, Dizziness,
Sinking Feeling, Heart Pain,
Short Breath, Weakness.

Mr. Beattie says:
"I was weak and miserable. I was subject to heart palpitation and dizziness."
"As I grew worse I began to have trembling and sinking sensations."
"Ferruzone strengthened my heart, gave vigor to my nerves, soon made me well. It's a great rebuilder."
"By strengthening the muscles of the heart, giving proper circulation and causing a general rebuilding of the whole system, Ferruzone is bound to do grand work in heart trouble; try it 50¢ per box or six for \$2.50, at all dealers, or direct by mail from The Ciba-Geigy Co., Kingston, Ont."
