

NOW RAISES 600 CHICKENS

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me."

"I saw the Compound advertised in your paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

HARBORVILLE.

I writ you quite sum peace last wek, butt he germans got us blokad with snow drifts about twenty feet deep more er less, to that even our bessien male carler Mr. Lemeul Brown culd not git over with ther male, he culdent even git frum his place down ter ther post office, and es assistant Postmaster Boyd Parker, was snowed up in bed, ther wuldent ben no male anyway, so yur peacq air still here, but is goin es soon es ther blokade air rased.

vice sunday count uv the storm, and when munday morin cum along and everbudy was snowed in, bein es he hed to be ter Suth Berwick munday night ter prech, he took up his carpet bag, and started to huff it ter Berwick thur likewise, even if it take him three hours to git es fur es Brother Fred Fishers.

After he got thet fur he was alright, Fred wuldent let him do no more trampen after thet. His name was Webb, and he is one uv them prechers whut is wurth whil. I wuld like to here a feller like thet prech.

I was up ter see the old feller on the hill Wednesday, and got caught in the blizzard whil I was up ther, and so hed to stay, es I was tied up ther, I went round with the old feller whil he was pretenden to do his wurk, and I noticed a whul lot of bags piled up in his feed room, and I ses, yur air not sufferin any fur feed fur your hens, enyway, evn if uther peple is, and he ses, I hev more hens than all the rest uv em on the North mountain put together, but jest the same yur hev guess-ed rong, hecus that aint feed, lestwise the hens culdent eat what is in them bags, but accordin to whet we rede in the papers, the stuffs what is in them bags oter feed em fur a few yers. Ses, I what in blazes hev yur in em, and ses he TIN CANS.

We are paying the devilshon price fur canned stuff uv all kinds, and they air tellin us that the reson is becus they cant get cans. So, the old feller took a empty can out a bag and showed it to me. Now, ses he, it wuld take erbout half a second to run a hot iron round the top uv that can and take off the old top, and the can wuld be jest es good es ever to load up agin. But they dont seem to want the cans. The old feller hs about thirty bags full uv em, but ther aint no one cumin ound to offer anything fur the cans, WHAR AIR SO VALU-ABLE, that we hev to pay more fur the stuff what is serposed to go inter em BECUS they cant get cans. The whul der schem is a d—m frade, becus, if the empty cans thet air layin around all over canady was gathered up and made over agin, ther wuld be cans to burn. But the patriotic profiteers, dont want them cans. They hev all the cans they want, butt hey want to hev sum excuse seems fur stikken up prices, and any kind uv an old one seems to go with our ON HUNDRED AND SEVENTY FIVE THOUSAND DOLLARS A YEAR FOOD BOARD. In ther mentime, we the suckers, air payin out blood muneey so es to keep livin.

Thursday, bein a kinder off day, I was over havin a little talk with our genil and aferable County councillor Ben Banzan, and findin thet he was not busy ripplin out ther insides uv his emprim, fur a wonder, we hed sum spell uv talk, Ben ses among other things unnecessary ter mention thet Pelertics tuk sum pepel all fire dhard, Fur why ses I. Well, ses he its like this: Last fall, when I was buyin pertaters and didnt sell em to Wallace Ogilvie, drot em down here to me, and I was one gol derned good feller, and I bot em, even if a whul lot of the barels hed fine pertaters in each end, and muck in ther middle, I bot em just the same and showed m onter ther Unitered. Fruit comperney. Well, es I sed I bot em from all of em, wether they was grits or torys, made no difference ter me, and it seemed to make none to them not even the tories, but this morin, I was standin onther Plaza uv my store, when along cum three uv our shinin torys what was good frends uv mine so ter say last fall, and I'll be hornswaggelid if the didnt go rite by my store and never let on they seed me, and never sed a dern wurd, but right bein em cum along young Ed. Spicors pib, goin fur its usul walk over to parkers shop, and ill be derned if that er pig didnt say good mornin ter me. Yu kno thet got me ter thinkin about the card what I onct seen what hed

on it "The more I see uv some pepel, the more I like my dog" Ther air sur sum pigs what hes more manners than sumtories. James Bryden, over to the Base Line, hes sold his farm to his son Max, and hes gone to live ter Somerset. Ther, was a time, when Jim was our County Councillor, when he was Automobile shy, but I guess he hes got over thet or he wuldent be movin away from the Base Line.

Capt. Bloomfield Morris, is lade up tu hum, on ther sick list, and ther nebors is tryen to make life plesent fur him whil he is housebound.

They do say, thet the precher whut cum over last sunday to hold services, and culdent, account uv ther storm, and hed to walk back ter Berwick, Monday, liked it so well over here thet he min back agin to hold service fur a whul week.

35 LBS. SUGAR KEEPS ELECTRIC PLANT FROM CLOSING.

New York World: Officials of the Westinghouse Lamp Co. of Bloomfield, N. J., which employs 3500 workers, appealed yesterday to federal food authorities at Jersey City for 35 pounds of brown sugar, saying it would be necessary to suspend operations unless the request was granted. It was explained that brown sugar is used in infinitesimal quantities in making electric bulbs. Food Administrator Fielder gave assurances that the quantity desired would be made available each week.

Never before in the history of the New York fur trade has there been so active a demand for all kinds of skins as has prevailed this season. Besides reducing the catch throughout the country the cold weather has

PACER "DR. SHARPER" DEAD.

Charlottetown Guardian: Word has been received in this city that "Dr. Sharper" the well known race horse, formerly owned by Major D. A. MacKinnon, was killed at Port Hawkesbury on Thursday last. His owner, Mr. C. A. Chisholm, had him out on the ice for a work-out, when the Doctor, overreaching caught a hoof in his quarter boot, which was a little loose, and threw himself striking his head heavily and bursting a blood vessel. He died 15 minutes later.

ICH DIEN

(I Serve.)

The motto of the Prince of Wales might be adopted as the slogan of modern business. "To Serve" is the keynote of 20th century merchandising. The up-to-date merchant realizes that it is good business, as well as good morals, to render real service to his patrons, and he tells you about it in his advertisements.

It pays to patronize consistent advertisers. They are modern in their methods and imbued with the modern spirit of service.
