Besides these there are the wives of

the missionaries and a large staff of teachers, some from Canada, and some natives, but it would make your lesson too long to give them all. I will tell you about them some other time.

On Monday, August 17, three of our missionaries, Mr. and Mrs. J. Fraser Campbell, and Mr. R. C. Murray, sailed from Halifax, Nova Scotia, for India. Mr. and Mrs. Campbell were in India for seven years, and have been home on a visit while Mr. Murray is going for the first time. Many of our young readers have heard Mr. Campbell during the past winter telling of what God is doing in India.

The district in which they labour has about ten millions of people, living and dying in heathenism and no missionaries among them but those who have gone out from our own Church. There are twice as many people as in all the Dominion of Canada and only five missionaries to tell them of Jesus. It is as if there were only two or three ministers in all Canada. One somewhere about Quebec, one about Toronto and one in the North West.

What are these among so many? Multitudes of the heathen will perish before they hear the joyful sound. You give your cents and dimes to send missionaries, will not some of you give yourselves.

The essence of all sin is the forsaking of God. The essence of all misery is being forsaken of God. The essence of conversion is turning to God to forsake Him never. The essence of grace and glory is being never forsaken of God.—
Dr. A. A. Bonar.
