## A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 6th St. Well, yes, we did get married some-what suddenly. My health, you know, had for some time been very delicate, and Dr. Henry-fee told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blavolt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step in to her shoes and become Mrs. George Blavolt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that deceitful husky might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderful leavening effect of DR. CAMPBELL'S AGENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance, so that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blavolt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

## THE DEY OF ALGIERS!

THE SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATTEN and BEAUTIFY their barons exclusively on DR. CAMPBELL'S AGENIC COMPLEXION WAFERS. So great is the demand for these marvelous Wafers that their manufacture is continued day and night.

"The Shah found his baron in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889. Reason: Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumor has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favor being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Arise from poor digestion, etc. Kidneys fail to extract the uric acid from the blood. Heart disease and other maladies seize with such ruinous force that break down our strongest youths in a few weeks. So says Popular Hygiene, and adds: St. Leon Water has the power to fight and destroy the cause, is the most powerful antidote known, and should be taken freely to absorb the deadly poisons that undermine the system.
