**MAKES BAKING A JOY**

Worry ends when you use a flour you can depend on. You will get more loaves and better flavored loaves—two decided advantages to the housewife—with FIVE ROSES. There are other flours which claim to be just as good but do not stand this test.

# PANDORA

## RANGE

Train up a girl in the way she should bake, and when she is married she will not depart from it.

“My mother taught me how to bake, and told me why she always used a McClary Range.

“Now I have a ‘Pandora’, and, as with mother, my troubles are few. After fire is started, I simply bring thermometer to desired heat and leave the oven in charge of the baking. It’s built for faithful service.

“While housewives with other ranges are poking fire and changing dampers, I sit and read the ‘Joy of Living’.”
