

### Editor's epitaph

Outgoing Editor-in-chief of the *Gateway* yesterday denied the allegations that he was an asshole.

"I am not an asshole," he said.

In a prepared statement for all press media he made the following claim:

"Contrary to public rumor, and in an effort to set right certain malicious allegations to rights, I am forced to defend my honor as a human being and a Canadian citizen by saying that I am not an overbearing, self righteous, mud slinging, rightest, sexist, snot nosed, fat, tight assed, cowardly, foul mouthed, power hungry, eater-of-raw-meat, or an asshole, as many of my enemies have falsely stated."

This epitaph will appear on the deceased editor's tombstone to be erected (good choice of words) the poot after pootmorrow.
