No hurt I!
We help you!
It speaks English!
Help us? Help us
how?

Come with me!
I take you to
see Master!

Do you think it's
safe to trust?

last time, our heroes
were left waiting anx-
iously as a dark
shadow approaches
them...

What the hell
was that? I don't know
but it's getting
away!

After it...
