## UofT?

Graduate Studies at the University of Toronto?

**WATCH OUT!**

UofT wants you. But for how long?

**RIGHT NOW**

You are worth **BIG BUCKS** (\$15,000-30,000 per year) in government funding to UofT. But those big bucks only last so long—not as long as it takes to get a degree.

**THE FUTURE?**

Current UofT contract proposals attack the slim margin of job security that now exists for graduate students employed as teaching assistants. Why come here if your funding only takes you *part way through your degree?*

**CAN YOU AFFORD THAT RISK?**
