Ottawa, May 1, 1918.

Sir,--

I beg to inform you that some little time ago the local Indian Agent was authorized to notify the owners of the crusher on the wharf to remove same. It appears that this has not been done, and the crusher is again being used, for which no authority has been given by the Department.

Kindly let me know as early as possible who is using this crusher and under what authority, as the Department must insist on the carrying out of action given the agent in regard to its removal.

Your obedient servant,

Asst. Deputy and Secretary.

Chief John T. Daillebout,

Mayor,

Caughnawaga, Ont.
