

They are God's dynamic machines through which the one universal Spirit operates. Every world is an electric cell charged with the life of the Spirit of God, producing all the motions that take place throughout the universe, as He moves on the face of the waters of the host of heaven.

HOW LIGHT TAKES PLACE.

Moses tells us that light in nature was produced by the Spirit of God moving upon the face of the waters. And the Spirit of God moved upon the face of the waters, and He said, "Let there be light, and there was light." Of light we read that God commanded it to shine out of the darkness. Light in nature is the phosphorescence of the waters of the great deep.

The planets are all circulating around the sun, and this is one of the chief reasons why they thus circulate. It is to make yonder sun to shine. They are working in harmony with it, making the waters of the great deep to circulate around the sun, ever increasing in veloc-
