

this suit shall not be followed as a precedent for future procedure either in the Court of Assizes, Oyer and Terminer and general jail delivery or for the Supreme Court. These and other questions may be proper for the public to consider in connexion with the maxim *salus populi suprema lex*, and the laws of peace and safety, and the offices of conservators of the peace,—the soul and life of the law which I think have been lost sight of in the final disposition of this case.
