

Satisfaction or Money Back

Out of 3,000 wigs and toupees sold to bald men in the West, we supplied 65 per cent. by mail, and although we are ready and willing to return purchase price in full for any complaint, we have not been asked to do so in a single instance. Bald men should not allow the ill-appearance of some wig they have seen to incur their prejudice against all hair creations, for our work is of a decidedly superior character - the kind which is recognized as a work of nature, not of man. Our booklet on the subject is interesting. Write for it.
