## Trade Review and Insurance Chronicle of Canada

VOLUME 57  
No. 4

TORONTO, JULY 28, 1916

ESTABLISHED  
1867

### Industrial Activities

Canadian Car and Foundry Company's domestic and export business figures for nine months. Pacific Burt Company's annual return. Smart-Woods sell \$500,000 bonds. Canadian Pacific controls smelters, Page 41

### Our War Loan

The finance minister states it is of supreme national importance that the financial resources of Canada should be conserved for our own purposes and that as much as possible of the national debt should be held in this country, Page 7

### Western Canada's Finance Plan

While the British treasury are mobilizing Manitoba and Saskatchewan bonds in London, they are not at present prepared to penalize holders who are not disposed to part with their holdings upon the terms offered. Page 9 and Page 7

### Trade and Commerce

Latest official statistics of Canadian trade and commerce, Page 50. Hon. Arthur Meighen, gives positive assurance that Canadian nickel is not reaching Germany, and reads an important message from England, Page 29
