while by a late nomination the party would be at liberty to select a more available candidate. There could be no stronger proof of utterly sel-fish ambation than Mr. Lincoln's eagements to chain his party to his personal fortunes, and leave it no change to restrict the fortunes and leave the United Kingdom is concerned. The Board of Trade returnsfor the month of February are extremely favorable as relates to the export trade of the country; and give pro-mise of a year of unusual prosperity.

The N. Y. Worklin reference to the war move, ment says,—Our war network is present week is in comparison with past weekly reports since the opening of the war, of no great importance. A few skirnishes, movements, and runnors of death and wounds are the invariable concomit-mit ary server unimportant in its mittary results; but the people have become so accustomed to the destruction of life and the medium that they care little or nothing; unless individu-ally interested, for small losses; and a great battle, with long lists of killed and wounded, is enaation of that sort this week. The const the indexed in this city with any the residence to the second is more approach. If the second is remarkable, and might fur-more indexed in the present the address. The case of the second is remarkable, and might fur-magnificent woman, possessing fine intellectual moral endowments, and a culture in all that per-tias to social accomplishements which, perhaps, it is only too rarely met with. She was an or han, and possessed in her own right, properly valued at fifty thousand deliars.
