## Diphtheria 🕏 Rheumatism.

TRURO, Fsby. 2st, 18879. MESSES, C. GATES, SON & Co-Gentleman-I came home two weeks ago and found my boy perfectly helpless and crying with pain. I took your

Acadian Liniment & Nerve Ointment, mixed them together and bathed the painful parts, and they killed the pain immediately. called in a dector to see what siled 'he child, and he pronounced it Inflammatory Rheumatism. I believe that pain cannot stay where they are properly tried. I have seen people who had Diphtheria use

Your Acadian Liniment, in preference to the Doctor's gargle, as it gave them more rellef. When the throat is coated, it can be used as it is in the bottle, without being ailuted. I believe that every house should have your medicines in them.

Yours truly,

## CENTENNIAL YEAR BOOK

EDITED by W. H. DEPUY, D.D., It is a marvel of rich and compact information. It is tull of surprises even to those who have thought themselves well informed as to Methodist History. We have sought in vain for something which ought to be in it and is not. If every adult member of our Church could possess this Year Book the best results would follow. It is a stimulus to gratitude and labor. Our ministers cannot do a better work than to see

that our people have an opportunity to con-

veniently secure "The Methodist Centen-
