**Local Affairs.**

Miss Hattie Walker spent Sunday last in Wroxeter.

Sheriff's Bailiff Grundy, of Goderich, was in town this week on official business.

Mrs. John Farrow and child, of London, is visiting her parents in town at present.

Mrs. S. Montgomery, of Stanley, was visiting friends here last week, returning home on Saturday.

Mrs. J. W. Green and children returned on Tuesday from a visit to her parents' home in Clinton.

Mr. Jno. B. Campbell, teacher, spent last week at and around Port Elgin, visiting with his brother.

A picnic party of Gorriettes spent a pleasant afternoon at the beautiful lake at Lakelet on Tuesday last.

Dr. Armstrong, V. S., has greatly beautified his residence by having it repainted in attractively blending colors.

Mrs. S. T. Fennell and children were at Redgrave-visit last week, returning home on Tuesday. Mr. F. also spent Sunday there.

The Harriston Tribune gives the Gorrie Brass Band much praise for their fine playing at the Masonic entertainment in Fordwich two weeks ago.

Rev. W. Savage will occupy the Methodist pulpit here next Sunday. In the evening the collection will be in aid of the building fund of his mission church on an Indian Reservation, the old one having recently been burned.

Mr. Amos Doan is absent in Algoma assisting his uncle, Mr. Bolton, of Listowel, in surveying a township. He will return home in September. His many friends while missing him from town, envy him for the good time he is having "way back in Algo-ma."

Miss Hattie Walker, who has acted as telegraph operator and assistant in the Gorrie post office for several years past, has resigned her position and will start in the latter part of next week for Hamilton, where she intends to visit for a time before accepting a lucrative position in the Northwest.

The following Howick township pupils succeeded in passing their entrance examination before the Huron county examiners. We omit the names of the six Gorrie pupils whose names appear elsewhere:—S. S. No. 1; W. Ferguson, A. Douglas, H. Miller; No. 2; T. Scott; No. 4; J. W. Bennett; No. 5; B. S. Wilson, R. Deachman; No. 10; L. N. Doig; No. 15 (H & T) E. McMichael, A. Thompson; D. L. Weir; Wroxeter: S. E. Allen, G. Henry, C. McMaster, G. H. Rae, R. J. Bae, J. M. Thompson.

The Harriston list, which will, no doubt greatly add to the number, has not reached us yet.

The corner stone of St. Paul's Church, Wingham, was laid on Aug. 4th. The day being fine a large assembly witnessed the ceremony. Among the clergymen present were Rev. E. D. Hughes, rector of St. Paul's church, Wingham; also Revs. W. Craig, B. D., R. D.; J. W. Hodgins; L. W. Diehl; T. E. Higley; W. T. Cluff; W. J. Connor; E. A. Hall; W. T. Brownlee. The services were conducted by the Rector, while the choir of the church rendered music for the occasion. The stone was laid by Crowell Wilson, Esq., Ex-M. P., of Wingham, the ladies of the church having presented him with a beautiful trowel for the purpose. After the ceremony the ladies gave a public dinner at the Rectory and a garden party in the evening on the Rectory grounds.

The Mail says of Parker's Dye Works, Toronto: "No longer is it necessary to give away, or sell for a trifling amount, the partly worn goods when they can be cleaned and dyed so as to present as good an appearance as new, and last double the time they would otherwise. This firm have now a most enviable reputation and are distinguished from other and less competent dyers by the fine work they turn out." We cannot say any too much for R. Parker & Co., the well-known dyers, of Toronto. We advise our readers to look through their wardrobe and have their soiled or faded garments cleaned or dyed to look like new. Agents: A. B. Allison, Gorrie; Jas. Fox, Wroxeter; J. C. Bell, Fordwich. Orders left at any of the above agencies will receive prompt attention.

Miss Kaine, of Clinton, is visiting relatives in town at present.

Miss Kate Farngoy, of London, has been visiting her mother here the past week or so, returning to the city yesterday.

Mrs. Nottman, who has been the guest of Mrs. Carson in this village, for some time past, returned to Toronto this week.

The Gorrie Orangemen have decided to hold a grand celebration of Guy Fawkes' Day here on the 5th November next.

Mrs. Henry Perkins, accompanied by her son, Mr. Geo. Perkins, were visiting at Walton for a couple of days early in the week.

Mr. John McLaughlin sold his farm on the 6th con., to Mr. Alex. McNeil, of Cranbrook. Possession is to be given next April.

Mr. Gilbert Jardine is quite poorly of late. The old gentleman is 90 years of age and is one of the oldest residents of this section.

A foot ball match between the juniors of Listowel and Gorrie is to be played here in a few days. The exact date has not yet been set.

Several from here announce their intention to take in the excursion to Grimsby Park next Saturday, intending to remain over Sunday.

Mr. Will Taman, of Blyth, spent a week or so here since our last issue, taking charge of his brother's tailoring business while he was away on a holiday trip.

Mr. Adair has finished the contract of putting a new floor in the public school building. The place has otherwise been renovated for the school term which begins next Monday.

The Foresters have not accepted the contracts for the erection of their new hall, they being considered too high. The work of building the stone foundation has been given, however.

The Church of England Sabbath Schools of Gorrie and Wroxeter purpose (D. V.) to hold their annual picnic in Dr. Simale's grove, Wroxeter, on Thursday, Aug. 18th. A pleasant time is hoped for.

Mrs. N. McLaughlin and children returned home on Saturday last from a visit with relatives in Woodstock and other places. She was accompanied by her brother, Mr. Wm. Wright, of Woodstock, who remained until Wednesday morning.

The other day Rev. Wesley Johnston, of the N. W. T., made the last payment on a debt owed to Miss Barber by his father-in-law, the late Mr. Turner, and the security upon which had long ago become void. Honesty of that kind is just like "Wes," who was one of the old-time Gorrie boys.

Mr. R. Mitchell, of Arthur, spent a few days visiting in town the past week. "Bob" is a member of the Fergus lacrosse club and received a severe blow in the face during a match with Orangeville last Friday, which somewhat mars his beauty for the time.

This year is certainly building a record as "rainy '92." Thunderstorms have followed each other in rapid succession, and the casualties from lightning have been unusually numerous. The hot weather of the early part of this week was followed by several terrific storms on Tuesday and Wednesday which cooled the atmosphere nicely.

The Gorrie Public School has again been very successful at the midsummer examinations. There were six pupils who wrote, viz.: Alfred Osborne, Eva McGrath, Alvina Heibeln, Lizzie Groer, Willie Dane and Mabel Aylesworth. Every one of them passed except the latter, whose record during the spring term indicated that she would have a high standing, but she was evidently too nervous when the ordeal came. She was recommended, however, by the examiners, and will, no doubt, be finally passed. We congratulate Principal Campbell upon the success of his pupils.

**Fordwich.**

The picnic in connection with the Methodist Church of this place was held last Wednesday in Mr. Fallis' bush, north of the village. Swings were erected which were heartily enjoyed by the younger ones. Considerable interest was centered in a foot-ball match between the Invincibles and a team of married men from the township. The benedictines were so confident of victory

that they even brought out their wives and children to see the play. The tide turned, however, badly against them and the Invincibles won by one goal. We congratulate the married men on their fine playing, they being about 90 strong. After the game all repaired to the bush where an excellent lunch had been spread by the ladies, and to which all did ample justice. The return game of foot ball will be played in about two weeks.

The first new wheat of the season was brought into Wilson's mill last Saturday by Mr. John Tilker. It tested 62 1/2 lbs to the bushel.

Will you please state, through the GAZETTE that there was not the slightest particle of truth in the rumor, circulated in Gorrie and Wroxeter, to the effect that Mr. L. C. Dicks had made an assignment. The mill is prosperous and the cruel gossips who spread the report are deserving of censure.

The entertainment in connection with the opening of the new Masonic hall here, a week ago last Thursday evening, was a pronounced success. Shortly after four o'clock the lodge was opened for a short session. The room presented an elegant appearance and Mr. Dicks received much merited praise for the exquisite lodge-room furniture turned out of his factory. At six o'clock a large gathering sat down the excellent supper provided by mine host Brown, who is always a first-class caterer. At eight o'clock all repaired to the Foresters' hall where the concert was to be held. Mr. Jas. Hutchinson was called to the chair and ably filled the position. The program was really a fine one and well received. Mr. Chapman is a decided success as a comic singer and created much merriment. Misses Fitzgerald, of Toronto, and Stewart, of Harriston, each rendered several vocal numbers during the evening with much taste. A gentleman from Palmerston whose name we did not catch, proved to be a charming vocalist, while the songs given by Messrs. Gibson and Brown, of Wroxeter, drew much applause. Miss Eva Oroll, of Galt, who was visiting in the neighborhood, sang a solo with a rich, pure soprano voice, and was warmly applauded. Miss Cargill's recitations and Mr. Blackwood's readings were excellent efforts. The Gorrie Brass Band was present during the afternoon and evening and furnished excellent music. About \$90 was realized by the Masons, who are to be congratulated upon the success of their efforts.

A large number from here attended the National Berry-pickers convention, at the huckle marsh at Lakelet last Saturday.

Two of our townmen Messrs. J. Argue and L. Hovey took several prizes in the foot races.

Mr. Smith, of Bridgetown, and Miss Fitzgerald, of Toronto, are rusticiating at the home of Mr. and Mrs. Spence.

Rev. J. W. Pring, of Bluevale, paid our village a call on Monday last.

Rev. J. W. Mabood, son of our esteemed postmaster, will occupy the Methodist church pulpit next Sabbath evening.

Rev. Mr. McConnell occupied the Presbyterian pulpit last Sabbath.

**Lakelet.**

Mr. A. W. Halladay goes to Niagara Falls on Saturday in the interest of the shoe trade.
