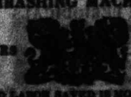
THRASHING MACHINES.



LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY SAVED.

THE subscribers having engaged to manufacture the Patent Thrashing Machine, lately invented by Mr. Wm. Lee, of this City, for the Territory of Upper and Lower Canada, are now prepared to execute orders for the same.

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most reliable aims and labor saving Machines ever devised by human ingenuity, repeatedly taking the palm for their superior excellence at the Provincial Exhibitions, and Ploughing Matches, during the past season, and which, after a thorough trial, they have no hesitation in pronouncing the most perfect Machine in the United Provinces, with a capacity for thrashing and cleaning from 100 to 150 bushels per hour, with less power and with greater simplicity than any other Machine now in use, and separating into 3 heads, the straw, the grain, and the chaff, ready for the bag or bin, at one operation, and requiring only 2 men to attend it, and 4 horses to work it.

We may here say to our customers, and the public, that we are now prepared to manufacture them in such a manner as to enable us to warrant them to work as well as any Machine ever manufactured by us.

Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, together with the many valuable improvements we have made from time to time, until now we feel confident in saying, that for durability, easiness of work, and rapidity of it they can do, our Thrashing Machine is not excelled by any other Machine now in use, and we are willing to put them to the test with any other Machine in the country.

Orders addressed to any part in Canada, and every one entrusted to us for good as reasonable terms.

Liberal terms of payment allowed.

E. P. FAIRE & CO.

Wherever Letters Patent were issued to Mr. Lee, dated March 5, 1850, on said Machine, the public are cautioned against purchasing, using, or manufacturing any machine similar to said Machine, as all infringements will be dealt with according to the terms of the law.

All genuine Machines will be accompanied by a Deed signed by E. P. FAIRE, the owner of the right for Canada, and countersigned by Mr. Lee, the inventor, the public will, without such a Deed, on person will be safe in purchasing or using said Machines.

E. P. FAIRE.

* The Rev. James Tate, latterly Canon Residentiary of St. Paul's Cathedral, in addition to many other contributions to the cause of literature, was the author of Horatian Rationes, or an Attempt to Illustrate the Principles of the Odes of Horace, and of a Chronological History of St. Paul, works all favorably known of latter.

Out of a small number of pupils, committed with this gentleman from the first great public schools of England, a large proportion distinguished themselves in the highest degree. Ten gained scholarships at other colleges, and no fewer than seven obtained fellowships at the University; among the latter, Mr. Tate mentions the attainments of various pupils, as highly honorable to them, from twelve to eighteen obtained fellowships at the University; among others, Dr. Goodford, Dean of Westminster, Dr. Thorpe and Dr. Temple, and the Archbishop of York.

THE "CANADA HOUSE," AT THE ABOVE CELEBRATED AND FASHIONABLE WATERING PLACE,

IS NOW OPEN FOR THE

RECEPTION OF GUESTS.

VISITORS may rest assured the arrangements will be such as to insure every satisfaction—and that INVALIDS will be particularly attended to.

PRICES OF BOARD FOR THE SEASON OF 1851:—
FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.
Caledonia Springs, 2nd June, 1851.

(Extract of a letter from P. J. Lassaie, Esq., of Montreal.)

I beg to state that in July, 1849, I went to the Springs for the purpose of testing their efficacy in a case of the most obstinate description, under which I had been suffering for several years previously. After remaining at the Springs for a month, and making free use of the Water, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, on my return to the Province, reported to me that they had derived considerable benefit from the use of the Water. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

MONTREAL, 4th June, 1851.

DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the extraordinary effects of the Waters of the Caledonia Springs, as tested by myself and numerous patients, who have derived the greatest benefit from their use. Their effects are truly astonishing, and I have frequently had occasion to recommend many of those who have suffered from the effects of dyspepsia, liver complaint, and general debility, to proceed to the Springs, and I am happy to say, in every instance, they have returned perfectly restored. Several of my own family have derived the greatest benefit from the use of the Water, and I am fully convinced that no person can visit the Springs for the purpose of testing their efficacy, without deriving benefit. I have frequently had occasion to prescribe the Water in cases of Scrofula, and other diseases of the skin, and have found it to act like a charm. Indeed, I consider the Caledonia Springs Water as the most valuable Mineral Water in America, and I am fully convinced that, if properly conducted, the Caledonia Springs will become the most celebrated Watering Place in America.

I remain, dear Sir, yours very truly,

GEORGE W. CAMPBELL, Jun., M.D.,
Professor of the Theory and Practice of Medicine, McGill College.

To the Proprietor of the Caledonia Springs.

MONTREAL, December 9th, 1850.

SIR,—I beg to state, for your information, that I have derived great benefit in cases of Dyspepsia, Chronic Rheumatism, or where the constitution has been much reduced by Mercurial Syphilis, from the use of the Caledonia Springs Water, which I have found superior to any Mineral Water I have ever used in these diseases. I have frequently recommended those who were afflicted with any of the above complaints to proceed to the Springs, and in every instance they have returned perfectly restored. Several of my friends, on my return to the Province, reported to me that they had derived considerable benefit from the use of the Water. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

MONTREAL, 6
