The Finest Model "45" McLaughlin-Buick Ever Built

The 1923 McLaughlin-Buick "45" Special took the country by storm. Always a favorite, this model reaches the highest pinnacle of value ever attained.

It is a beautiful car—it is luxurious—it is a mechanical masterpiece. Stand off and note the snappy lines, the higher hood, the full crown fenders, drum type head and cowl lamps. Then sit in the car. Here is comfort equalled only in the costliest automobiles.

Look about you—the upholstering and trimming are of the finest quality, the instrument board is equipped with richly-finished instruments, the control lever is at fingers' end, the cowl ventilator control and windshield wiper are within easy reach.

And the chassis shows far-reaching improvements. Even the famous McLaughlin-Buick Valve-in-Head Motor shows important changes. An inspection is cordially invited.
