YOU MAY HAVE

BEEN ONE

On the opening day of a great sale like this we expect and have a certain number of prospective customers who come only to look with a view of purchasing later. These we are pleased to have. Some look ONLY FOR LOW PRICES, and do not stop to consider qualities in any way, whatsoever. IT'S QUALITY THAT WE WANT TO SPEAK TO YOU ABOUT. If you were in Saturday and we were unable on account of the heavy crowds and our limited floor space to have you note the high standard of quality that is found in the clothing which we are now selling, we'll be pleased to have you kindly call again, you may not find us quite so busy.

The manufacturers from whom we made such a large purchase of FURS, SHEEP-LINED COATS, ETC., made ONLY HIGH CLASS GOODS. These are the reasons why we have NO SHODDY GOODS to offer you, but HIGH ART CLOTHING AT A CHEAP PRICE. NOW IS THE SEASON when you need a NEW SUIT or an OVERCOAT. After this sale is over if you find your needs are not supplied you will think paying regular prices very different from what we are now offering. BEAR IN MIND SATURDAY WILL BE THE LAST DAY OF THIS GREAT SALE.
