

FAMOUS BACHELORS IN HISTORY

Best Known Unmarried Man of To-day is Undoubtedly Henry James.

Literature has furnished a long string of names to the list of eminent bachelors. Possibly the best known unmarried man of letters to-day is Henry James, the novelist.

He maintains stoutly that the artist, no matter what the medium of his expression, should remain single, on the ground that the petty cares and carping of domestic life tend to wear out delicately adjusted nerves and exhaust the mental fibre of genius, whether its possessor be a painter of pictures, a worker in words, a modeler of statues, a composer of music, a singer or one who amuses the people from the stage.

John Greenleaf Whittier was a bachelor though not from the same cause as the brilliant fiction writer just mentioned. Whittier was a great admirer of the married state. It is said, and his boyhood had a blue-eyed, red-checked New England girl for his sweetheart.

Geo. Robertson Had Rheumatism and Dropsy—Had to be Tapped—Doesn't Know What it is to be Sick Now

Montreal, Que., Dec. 19.—(Special.)—Mr. George Robertson, a well-known Montrealer living at 392 St. James street, Montreal, is one of the many people in this city who are never without Dodd's Kidney Pills in the house. Like all the others, Mr. Robertson has his reasons for this and it is always ready to relieve him.

"I was a total wreck before I started to use Dodd's Kidney Pills," Mr. Robertson says. "I had been troubled with rheumatism and dropsy for five years. I had to be tapped to relieve me of the pain. My arms and legs were terribly swollen."

"I had just begun to get down-hearted when a friend induced me to try Dodd's Kidney Pills. I had used the second box I felt better. Seven boxes cured me so completely that now I don't know what it is to be sick."

20 Years of Vitis Catarra. Chas. O. Brown, Journalist, of Duluth, Minn., writes: "I have been a sufferer from Throat and Nasal Catarra for over 20 years, during which time my head has been stopped up and my condition very miserable. Within 15 minutes after using Dr. Ayer's Cathartic Powder I obtained relief. Three bottles have almost, if not entirely, cured me." Sec. 72
