ARE YOU A PRISONER?
THOUSANDS of men are prisoners of disease as securely as though they were confined behind the bars. Many have forged their own chains by the vice of early youth, exposure to contagious disease, or the excesses of manhood. They feel they are not the men they ought to be or used to be. The vim, vigor, and vitality of manhood are lacking. Are you nervous and despondent? Tired in the morning? Have you to force yourself through the day's work? Have you little ambition and energy? Are you irritable and excitable? Eyes sunken, depressed and haggard looking? Memory poor and brain fogged? Have you weak back with dreams and losses at night? Deposit in urine? Weak sexually?—you have

The picnic held here in Johnson grove on June 30th proved to be a decided success in every way, the weather being favorable and all the arrangements passing off without a hitch. A large crowd was present who heartily enjoyed themselves.

After the ample dinner had been disposed of, all repaired to a field near by to view the ball games. The baseball game between Elgin and Lyndhurst, which was played first, was hotly contested, and was won by Elgin, score 8 to 7. The football game between Seeley's Bay and Battersea was well played, and Battersea, having the best goal tender, won; score, 2 goals to 0. Both games were refereed by Dr. Elliott, whose decisions were impartial and gave general satisfaction. The Battersea brass band was in attendance during the day and enlivened the proceedings with fine selections of music. The boat race, for which there were four entries, came off after supper and was won by Mr. M. Bracken. Several other sports did not fill. The receipts were nearly \$800, and after deducting expenses the balance will be added to the cement sidewalk fund.

BECKSTEDT—PRESENT

Guelph Mercury

A quiet wedding was held this (Thursday) afternoon, at "Woodlawn," the pretty home of Mr. and Mrs. Edward J. Present, Surrey street, when their daughter, Hattie A., was united in the bonds of holy wedlock to Rev. I. N. Beckstedt, B.A., of Athens, Ont., a former teacher at the O.A.C., and well and favorably remembered in Guelph. The ceremony was performed by Rev. S. E. Marshall, the pastor of the bride, in the presence of a few of the immediate relatives of the contracting parties. The bride looked charming in a dress of rush white silk, wore a white tulle veil, and carried a bouquet of white roses. She was unattended. Little Miss Marjorie Neil made a pretty flower girl, and Master Frederick, brother of the bride, acted as ring bearer. Mr. and Mrs. Beckstedt left on the three o'clock train on a short wedding trip to Detroit, whence they will return to spend a few days in Guelph next week. Leaving Guelph, they will spend a vacation at Charlton Lake and subsequently take up their residence at Athens, where the groom is stationed. The Mercury joins with many friends in extending congratulations.

The ladies of the Methodist church will serve dinner in the rooms in the rear of the post office on 12th of July. Any lodges wishing this accommodation should apply to Mr. John Rappell.

The Hot Weather Test

Makes people better acquainted with their resources of strength and endurance.

Many find that they are not so well off as they thought and that they are easily enervated and depressed by the heat.

What they need is the tonic effect of Hood's Sarsaparilla which strengthens the blood, promotes refreshing sleep, overcomes that tired feeling, creates appetite.

The Special Train Party to the Pacific Coast

About a month ago the Grand Trunk Railway System announced a low rate excursion to the Pacific coast, with special train equipment from start to finish. The price for the round trip, including all expenses is the lowest ever named to the Pacific coast, it naturally appealed to the people and bookings began at once. The itinerary stated that the number would be limited to 125 people. This seemed a large number to get in a month, but the desirable route which all agree is the very best which could be selected between the Atlantic and the Pacific coast, together with the very low price, did the business and June 26 but 15 vacancies remained and these were doubtless taken within the next few days. Those who have been unable to go on the July 5th tour should book at once for the tour fixed for August 28.

Everything to the minutest detail looking to the convenience of this party has been attended to. The party will enjoy a special train each way. Several copies of all the leading magazines will be carried, also the daily papers from the leading cities enroute. An official of the various roads will accompany the party. In fact, everything will be done which can be done to make this the trip of a lifetime. The August 28 tour is filling fast, and any desiring to go should register soon.

Information concerning this tour may be obtained from E. C. Bowler, Bonaventure Station, Montreal. Mr. Bowler will personally conduct this party.

The district cheese instructors of Eastern Ontario have been invited by G. G. Publow, chief dairy instructor for Eastern Ontario, to meet in Montreal shortly where they will be shown the way the cheese arrives at that point, how it is handled and how it is taken care of. A meeting of the instructors will afterwards be held and cheese matters talked over. The Government pays the fare of the instructors to Montreal.

Get Busy.

The successful man is usually busy, and the busy man is usually successful. The young man, whatever his vocation, who has not learned to economize his time and keep busy has not got the lesson most essential to a prosperous, useful and happy life.

A Great Combination.

"You and your husband have lived together twenty-five years and never had a quarrel? What's the secret?"
"No secret at all. I'm too good natured to quarrel, and he's too indolent."
—Exchange.

White chilton washes perfectly, and a better way to clean it is by a dry method. Use two parts of finely powdered starch to one part of powdered borax. Spread the chilton on a clean muslin and rub the mixture well into it. Shake this out and sprinkle liberally with clean flour and borax. Cover and leave overnight. The next day brush and shake every particle of powder from the chilton. It should be found quite spotless.

PSYCHINE

(PRONOUNCED SI-KEEN)

BRONCHITIS "PSYCHINE" possesses peculiar properties that act promptly in gaining the mastery over this disease. One element at once checks the fever, another the chills. The tightness across the chest, the heavy breathing and hoarseness, is removed by another element. Its tonic properties renew the strength, and make rich blood, the cough disappears, the "mucous" is carried away, the wheezing ceases, and after a short treatment ninety per cent. of patients are cured for all time. The disease seldom returns after you have begun the "PSYCHINE" treatment.

HERE IS PROOF

CHESLEY SCHELL, Ravenswood, writes: "I was out with the volunteers at London last June and I got a heavy cold, which turned to Bronchitis, and my lungs were severely affected. I had a cough all summer. PSYCHINE proved a great blessing to me. It is a positive cure for Bronchitis."
