A Sustaining Diet

These are the enervating days, when as somebody has said, men drop by the sunstroke as if the Day of Fire had dawned. They are fraught with danger to people whose systems are poorly sustained; and this leads us to say, in the interest of the less robust of our readers, that the full effect of Hood's Sarsaparilla is such as to suggest the propriety of calling this medicine something besides a blood purifier and tonic,—say, a sustaining diet. It makes it much easier to bear the heat, assures refreshing sleep, and will without any doubt avert much sickness at this time of year.

In relation to this best stinging cure for rheumatism, it at least causes the patient to forget all about his rheumatism for several exhilarating seconds.

Charleston Lake Notes

The Glen Baell, Fairfield, Brockville and Athens party who are occupying one of Mr. King's cottages on Bortha island are enjoying themselves immensely.

Geo. M. Hickey, wife and son, are at Dr. Lillie's cottage for a couple of weeks.

Dr. Lillie has a tent erected at "The Hermitage" (the Hicks property) where he spends his spare time when at the lake.

The Blanchard—Clow party are at their cottage "Idle While." They are having remarkable luck fishing, having captured over 40 salmon besides a large number of bass and other game fish.

The Hanson party have arrived at the lake and between yachting and automobiling are making things lively at their end of the lake.

Chas. P. Bishop and family are occupying W. H. Jacob's cottage for their annual vacation.

Universal regret is expressed at the decision of Mr. Bishop to leave Athens and Charleston.

R. D. Judson is having "cart loads of fun" with his launch. Mrs. Geo. E. Judson and son Lyman and Miss Caroline LaRose are spending a few days with him at the cottage.

C. J. Banta takes many a quiet run out to the fishing grounds where he is said to be very fortunate in getting his quota of game fish.

Messrs. Arthur Parish, Mortord Arnold and Eric Kennedy spent a few days at the lake last week, taking many long and delightful runs in the launch "Belle."

The lake dwellers miss the genial presence of the Misses McMillen and Webster, who have not yet occupied their new and beautiful cottage.

The houseboat Lah-ne-o-tah has been tied up at the Charleston dock for the past week. Mr. Loverin has been very busy taking tourist and picnic parties to different parts of the lake, having made 10 trips to the "portage" with fishing parties in the past week.

On Saturday evening he took a large party over to Mr. R. Green's cottage and made two trips from there to Charleston on the return after 10 o'clock.

After you have tried hot springs, sulphur baths, patent medicines, electricity, etc. bring your case to the Supreme Court of rheumatism—Tuck's Rheumatic Bone Oil. This is a powerful, penetrating oil, which, as it's name implies, acts directly on the bone or joint—the lodging seat of rheumatism.

If you are troubled with rheumatism, and have been able to get nothing to help you don't get discouraged and make up your mind nothing can cure you until have tried Tuck's Rheumatic Bone Oil. It has cured hundreds of cases just as bad as yours.

H. S. Brown, Merrickville, Ontario writes as follows:—Dear Sirs—I am free from rheumatism today because I used Tuck's Bone Oil. I had rheumatism in my hands and feet and thought at one time that my life was going to be ruined by it.

I consulted a doctor and tried various remedies, but while some I took internally made me feel better for a time none of them took the pain away. After I had suffered for six months or more, doctoring all the time, I was advised one day to try Tuck's Bone Oil. I did and I never can be thankful enough to the man who told me to get it.

I had not used a bottle until I was better and before the second one was done my joints were loosened up, the pain was gone and I was well. Tuck's Bone Oil did it. That was six years ago and I have not been bothered since.

H. S. Brown, Merrickville. For all inflammation arising not only from rheumatism but from colds, croup, bronchitis, quinsy, &c. Tuck's Bone Oil is a sure and speedy cure. Sold by all medicine dealers at 50c. a bottle or sent by mail prepaid by the Tuck Bone Oil Co., Limited Smith's Falls, Ontario.

The Hot Weather Test Makes people better acquainted with the resources of strength and endurance. Many find that they are not so well off as they thought and that they are easily enervated and depressed by the heat.

What they need is the tonic effect of Hood's Sarsaparilla which strengthens the blood, promotes refreshing sleep, overcomes the tired feeling, creates appetite.

Men's Suits from \$8 to \$14

We call "United" brand, because a number of S.-R. agents have "united" (joined together) and are buying cloths direct from the old country mills, thereby saving from 25 to 50 per cent on the cloth.

And, sir, if you purchase one of our "United suits, you are wearing clothes that cost you from \$3.00 to \$5.00 less than you would have paid for them any where else.

We don't ask you to believe this but we ask you to find out for yourself whether it is true or not. If it is not true, we are liars, and you may call us such, if you find us to be such.

Every one of our United suits are made from old country Bannockburn tweeds (twisted wool), and not an inch of shoddy or cotton in a mile of the cloth.

We want to convince you

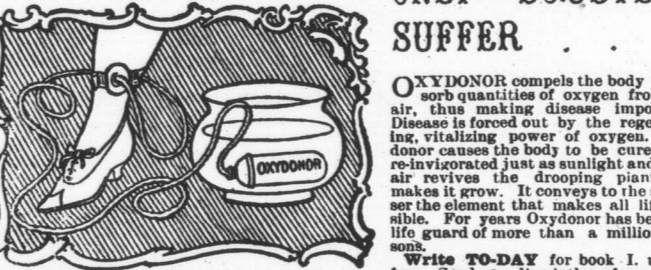

Are you ready? Are you? United suits for men from \$8.00 to \$14.00. Semi-Ready suits \$15.00 to \$30.00. Youths and boys (United) \$2.50 to \$15.00

We pay one way to Brockville if \$10.00 of goods are bought.

Mr. W. A. Singleton, Crosby, Ont.

Dear Sir,—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.
