Bro. Potter Presented With Han some Marble Clock

the Members of Encampment No. 10 -Very Eulogistic Address

William Potter, Past Grand Patriarch Ontario and Grand Representative, was last vening presented with a clock at the regular meeting of Chatham Encampment, No. 10, I. O. O. F. Mr. Potter was called forward when P. C. P. A. M. Lafferty read the following address and presented Mr. Potter with a fine mantel timepiece : To Wm. Potter, esquire, P.G.P., G.R.

Chatham, Ontario.

Chatham, Ontario.

Dear Sir and Patriarch,—The officers and patriarchs of Chatham Encampment, No. 16, I.O.O.F., in which you were initiated into the mysteries of Patriarchal Oddfellowship about thirteen years ago, and with whom you have been actively associated in endeavoring to inculcate the pure principles of Patriarchal Oddfellowship, realize that this is a fitting time to assure you of our high esteem for yourself as a patriarch and of our just appreciation of the invaluable services you have rendered our noble order in general and our Encampment, No. 10, in particular.

The Grand Encampment of Ontario having accepted the invitation of this Encampment to hold its session of A. D. 1894, in our City of Chatham, your were unanimously elected captain of the degree staff to select a team from our patriarchs and practice the members in the effective working of the several degrees, for the entertainment and instruction of the officers and delegates to the Grand Encampment. The achievements of this team, as well the graceful and pleasing floor-movements of the staff, as in the fluent and impressive delivery of the charges by its several members, so captivated the guests and spectators on staff, as in the fluent and impressive delivery of the charges by its several members, so captivated the guests and spectators on this memorable occasion, that the degree staff of Chatham Encampment has thenceforth enjoyed a provincial reputation for efficiency. Invitations poured in from Encampments in all directions, asking our degree staff to visit their several tents and campments in all directions, asking our degree staff to visit their several tents and exemplify the Encampment degree. These were accepted for Bienheim. Detroit, Sarnia, Port Huron, Stratford, Fort Gratiot and other localities, with the result that the members and invited guests of the several encampments were pleased, entertained and edified with the revelations of our beautiful and instructive ritual developed before their astonished gaze and impressed on the understanding of the patriarchs.

But the most gratifying and most

astonished gaze and impressed understanding of the patriarchs.

But the most gratifying and most highly esteemed of all the migrations of our Captain and Staff was the ever memorable exemplification of the degrees of Patriarchal Oddfellowship by Chatham Encampment, No. 10, of Chatham, Ontario, guests of Ingersoll Encampment, No. 29, of Detroit, Michigan, at Light Infantry Armory, Detroit, on the occasion of the Diamond Anniversary of the Sovereign Grand Lodge, I. O. O. F., Wednesday evening, September 20, 1896. It was this visit which gave our degree staff a universal reputation, and imparted to it an which gave our degree staff a universal reputation, and imparted to it an undying name; for the a chievements of Chatham Encampment, honorably recorded in the minutes of the Sovereign Grand Lodge, will be recalled in years to come, wherever in this wide world, (the field of the labors of Odiffellows) these minutes are read. of Oddfellows), these manutes are read.

It is not in Chatham Encampment alone that your valuable services have been appreciated, for our Grand Encampment claimed (and seized upon you for its own, when we

sent you to it as our delegate, and returned you to us with ever increashonors in successive years, as G. J. G. S. W., G. H. P., G. P., and G. R. Chatham has possessed two Grand Masters, but to you alone has fallen the distinguished honor of being the first and only Grand Representative delegate from Chatham to the Soverign Grand Lodge. After having re-persented the Grand Encampment in this capacity, there is but one higher honor in the gift of the Order to which you may aspire, viz., the office of Grand Sire and who shall say that

you may not attain this most exalted d dignity?
But recently returned from the Grand Encampment of Ontario over the business of which you presided as Grand Patriarch, you are now about to leave this Province and represent the Jurisdiction of Ontario as one of its delegates at the yearly session of the Sovereign Grand Lodge in Richmond, Virginia, the once besieged capital of the short-lived Southern Con-

We trust your journey south will be a pleasant one, and we wish you a safe return to your family and friends

in Chatham. We now ask you to accept this clock We now ask you to accept this clock, presented to you by the Patriarchs of Chatham Encampment, No. 10, in token of their appreciation of your services to Oddfellowship. As it marks the fleeting hours may you be reminded of the many pleasant ones already spent in the furtherance of Oddfellowship, and may it measure for you many more pleasant and more profitable hours yet to be spent with the Patriarchs here and wherever the duties of the Independent Order may warning the Mednesday in the Maple City. #### ONE NOT SATISFIED

With President Parrott's Explanation of His Action at Dresden.

To The Planet.—Anent your article concerning the course of The President of the Kent County Prohibition Association and Mr. Parrott's reply, permit me as an old-time Liberal voter and also as one who supported prohibition in the plebiscite to express my surprise at Mr. Parrott's course. Had he first resigned his position and acted simply as a private citizen he would have been within his rights though possibly open to criticism for insincerity. But to act as he did and make the statements attributed to him cannot in my estimation fail to do the prohibition cause much harm. How can we ask a man to help on prohibition when he can retort, "Look at your head man, how much of a prohibitionist is he when he can resort, "Look at your head man, how much of a prohibitionist is he when politics are around?" I believe acting as he is he is helping the liquor traffic along more than if he were an out-and-out advocate of it.

One thing more. I would like to ask Mr.

Advocate of it.

One thing more I would like to ask Mr.
Parrott fairly and expect an honest answer:
Wasn's his real reason for refusing to call a
prohibition convention fear that that convention would condemn Sir Wilfrid Laurier
for breaking his pledges on the plebiscite? REAL PROHIBITIONIST.
