The Signs of Weak Eyes

Tired eyes, overworked eyes, are unmistakable. You are constantly reminded that everything isn't as it should be.

Your head aches, your eyes burn and there is a dull pain behind them. Reading and sewing are decidedly unpleasant, and any work that calls for unusual eye strain you would sooner pass by.

We have all the instruments, a large experience, and guarantee to fit your sight, your features, and we charge for nothing but the glasses.

or of the race not being a windward and leeward one, as the Cadillac and being on an equal footing, he replied positively: "No. We can beat them, anyway."

But to-day's race has infused intense interest into the series. To-morrow's race will be more eagerly watched than was Saturday's.

Skipper Geo. M. Pynchon of the Illinois said that a light northeast wind that of today is likely to last two or three days. In that case the Invader's stock will go higher than it is tonight. It is demonstrated that the Cadillac will be invincible in a blow while it appears to be no less true that the Canadian yacht is equally as strong in fluky weather like that of to-day. Pynchon said he expected to see each boat win two races before the gun is won.

At time of going to press the Invader was ten minutes in the lead.

DEAD HERO

Barnia Man Gives up his Life to Save Two Small Boys.

Special to The Planet.

Port Huron, Mich., Aug. 13.—Charles Foster was killed at Barnia while trying to prevent an accident which might have resulted in the death of two boys, had not Foster sacrificed his own life instead. Two young boys from Petrolia were driving down the hill to the ferry dock. The animals became unmanageable, and Foster, to prevent them from going into the river, grabbed them and was knocked down. The horses and loaded wagon passed over his body and neck, killing him instantly. Foster was a married man and leaves a large family.
