"Nice car."
"Yes."
"Is it the latest thing in cars?"
"I guess so. It has never got me
anywhere on time yet."

A Bilious Headache.

Mr. Gilliat remembers an Afghan
missionary telling the Harrow school-
boys how he was once dining in the
tent of an Afghan chief, and could
not forget remarking that in Europe
it was thought rather a dirty habit to
put fingers in the dish. The chief
looked up.

Fingers and Forks.

"We in Afghanistan think it a very
dirty habit to use forks," he said smil-
ing contemptuously, "because when
you put your own fingers, but when
you put a fork in, how many people
may have used that fork before?"

Castoria. It stops itching promptly and
keeps the skin beautiful.

**Over 1,500,000 Immigrants
in Ten Years.**

During the past ten years over one
and one half million immigrants have
entered Canada, of whom nearly 600,000
have come from Great Britain, and
a little over half a million from the
United States. A little over 1,000,000
came from non-English speaking
countries. These are some of the fig-
ures given in a pamphlet issued by the
Immigration Department at Otta-
wa. During the past fiscal year im-
migration totalled 208,794. Of these
103,798 came from the United States,
41,741 from England and Wales, 14,707
from Scotland and 3,940 from Ire-
land. Deportation during the year
totalled 714, and since 1902 the total
is 1,883, of which 2,000 have been
English immigrants.

**Strange Growth of Olive

Attention is seldom called to a re-
markable and curious characteristic of
the olive tree. After many years of
growth the different large branches of

from one another down into the root.
These then slowly move apart, and in
some instances six or seven distinct
trees stand in the area which before
surrounded the main tree, and they
will sometimes be as much as 20 feet
apart.

Kings Co. Convention.

The second annual convention of
the King's County Women's Chris-
tian Temperance Union was held at the
Baptist church, Berwick, on Tuesday,
June 28th. Despite the heavy rain
there was quite a large attendance
representing Kentville, Wolfville,
Canning, Berwick and Aylesford.
About fourteen delegates drove from
Kentville in the rain to be present.
The first meeting opened at 10:30
o'clock with devotional exercises led
by Mrs. Gee, of Berwick. At the
role-call all the officers responded and
fifty delegates. The minutes of the
executive were read, and the report of
the treasurer, which showed that \$21.
50 had been received during the year,
with a balance on hand, after paying
all expenses, of \$18.41.
After the reading of the minutes of
the convention held in March, 1909,
the corresponding secretary presented
her report. The Aylesford Union has
a membership of 32; Berwick, 42 reg-
ular and 12 honorary members; Kent-
ville, 36 regular and 4 honorary, and
60 juvenile members; Wolfville, 45
regular, 5 honorary and 140 juvenile
members. No report was received
from Port Williams. Splendid re-
ports were received from all the
Unions. The following were appointed
to report proceedings for the county
papers: Berwick, Mrs. (Rev.) A.
Chipman; Kentville, Mrs. Bogg;
Wolfville, Mrs. B. O. Davison. The
latter was also asked to report for
Halifax papers.
Two papers on "Our Departments,
how to work them," were presented
by the president of the Berwick Un-
ion, Mrs. Gee and the president of
the Canning union, Mrs. Potter.
Both were of a high order and very
helpful. It was voted that they be
sent to the W. C. T. U. organ, the
Bulletin, for publication.
Miss Eleanor Smith gave a very
interesting address on the twenty-one
departments of work undertaken by
the Union. She also referred to the
Frances Willard Home for Girls,
which is helped by the soap-wrappers
contest. The makers of Surprise Soap
allow fifty cents towards the object
on every hundred wrappers sent in.
At 12 o'clock a very interesting Bible
reading was conducted by Mrs. (Rev.)
Chipman, of Berwick, in the absence of
Mrs. (Rev.) Prastwood, of Wolfville,
who was not able to be present. The
passage selected was the 14th, (con-
cluded) Psalm. The speaker opened
her talk by an appropriate refer-
ence to the rain which was
falling at the time in torrents. She
reviewed the splendid work which
had been accomplished from the
time when devoted women, years
ago organized the W. C. T. U. in
for 'God and home and every land'.
The service closed by all repeating
the Lord's prayer.
Dinner and tea were served in the
basement of the church, where tables,
prettily trimmed and decorated with
good flowers. At each place a pretty
little penny was placed, which the
ladies appropriated as souvenirs and
wore during the remainder of the ses-
sion.
The afternoon meeting opened at
2:30 o'clock with a devotion service
led by Mrs. Turner, of Kentville.
Short prayers were offered by a num-
ber of the members. Mrs. J. N. Chute,
of Berwick, convener of the committee
on resolutions, and Mrs. B. O. Davi-
son, of Wolfville, convener of the
committee on plan of work, presented
reports which were adopted.
The address by the president, Mrs.
Mitchell, of Wolfville, was very in-
teresting and contained many timely
suggestions.
Under unfinished business the draft
of the constitution and the by-laws
was presented by the committee and
adopted.
Officers for the ensuing year were
elected as follows:
President—Mrs. W. Mitchell, Wolf-
ville.
Vice President—Mrs. Turner, Kent-
ville.
Recording Secretary—Mrs. (Dr.)
Crowell, Canning.
Corresponding Secy.—Mrs. B. O.
Davison, Wolfville.
Treasurer—Mrs. J. N. Chute, Ber-
wick.
Auditor—Mrs. Edwin Harris, Ay-
lesford.
A very pretty vocal solo was ren-
dered by Mrs. Hutchinson, of Berwick.
Two excellent papers on "The Pat-
ure of the W. C. T. U.," were given
by Mrs. Turner, president of the Ay-
lesford union. Both were highly ap-
preciated.
