Mr. Fowler, the projector of the new railway from Port Perry to Goderich, which it is now proposed to call the Huron and Quebec road, again visited our town on Wednesday last, while the County Council was in session, for the surpose of laving the claims of the road

Mr. Fowler said that the scheme to deliver a lecture on Manitoba. build the road was a good one and the read would prove a benefit to the whole country. The Grand Trunk he thought use to us as it sent all its business

spent and intended to spend large sums in making a harbour of refuge here which would be of no use without said to be in a dilapidated condition. an ther road, The Grand Trunk was of No other road would build Hallroads had accomthe largest dividend yet paid and on the The English stockholders in the Capitel Trunk had expected to realize 11 per cent, but their stock was almost a and less, it having been sold at as low ste as 17 cents in the dollar. The m of bonuses and government as- pursuant to statute. astance had brought railway stock up

ev largely by railways. Some people to get the means to carry on business. United States during their war couldn't get money to carry on public large national debt they found no diffi-culty in obtaining money for public proved of great advantage to them because it brought in men who settled in the country, and every man thus brought would prove of great advantage to this county. He wished to obtain a bonus of \$5000 a mile. A rate of 21 mills in the dollar would pay this with a sinking fund to pay off the principal. \$4 on each form of 100 acres for 13 years.

Moved by Wm Elliot, seconded by L. Dobson, that the clerk's salary be \$100 for the current year.

Moved in amendment by Saml. Slemmon, seconded by John Hislop, that the officers' salaries remain as they were last each farm of 100 ares for 13 years County had given \$50,000, Peterboro an \$100,000, Victoria County \$100,-000, Lindsay \$110,000, and they could now they want

er roal and were e farms more than sible. und be greatly a* > 10 m a would be increased 10 buyers as small buy-We would be able to send our districts where produce al-We were unable to do so now as we had to send it a long way round and over two roads used a high rate of freight. Mr. Foaler then referred to the en-couragement he had mot with after he had been here before, and stated that it was now proposed to call the road the Huon and Quebec Railway and get an endent charter for reasons given. He advocated the giving of a county bonus as it was a through line. If it

touched the county at all it benefitted A less bonus was asked than had 9, 1874. eiven to the narrow guage roads. r Hugh Allan had a large interest in treal had given \$1 000,000 to the North zation road to Ottawa. east from Ottawa and they must have an outlet west. If this section would not assist the road it would have to-find an outlet somewhere clse, as by laying a third rail from where it struck the ling in East Middlesex narrow guage road to Owen Sound, and come here. The charter would include Wardens. a branch from Brussels to Sarnia, but

proposed road by 40 or 50 miles. The head quarters at Toledo. ort that it was intended to carry the main line to the Georgian Bay and only run a branch here was false. There occasion to do so as the road would cross the lines running to the Georgian Bay and thus catch the trade, or they might get running powers over

w the road would be completed. Fowler replied that it must be finished to Toronto in two years by the road be commenced at this end. As built it would tap other lines and get

Council expressed a doubt whether a county bonus would carry in this county. A number of townships had already given all they were able. If however

Moved by J. T. Garrow, Reeve of Goderich, seconded by Mr. Jas. Thom- of the fairsex who has thus travelled pretty Moved by J. T. Garrow, Reeve of son, town clerk, "That we have listen- much over the whole Dominion, has co ed with pleasure to the remarks and explanations of Mr. Fowler concerning the Huron and Quebec Railway, and have no doubt that, when the project is more of Halifax are the best made; those of St. John are the prettiest; those of Que ed with pleasure to the remarks and exadvanced, and the scheme more fully before the people, it will be liberally aided by the various municipalities

To Hull Corn .- Take one quart of strong lye, prepared by pouring warm water upon a peck or more of ashes; add two quarts of boiling water to it and put in the corn; let it boil until the hulls begin to start, which you can determine by taking out a few kernels and washing them in cold water. Skim out all the corn; rinse it in two or three vaters; put in into cold water, and let it boil up; turn off that water so as to extract all the lye; fill up with boiling water and cook for four hours slowly; water and cook for four hours stoway; add salt to your taste; let it boil half an hour more, and serve. It must cook

I had rather have newspaper' without overnment than a government without lewspapers.—Jefferson.

were twenty-nine rinks, and the result was a tie—each side having scored four hundred and eighty-nine points. It is asserted that such a bonspiel was never government than a government without newspapers. - Jefferson.

CHURCH DEDICATION. - The new Jurpose of laying the claims of the road in fore them. A public meeting was called for the afternoon, and though the notice was very short a respectable number of our citizens, and most of the members of the County Council, assembled in the Court Room at the hour named.

We would be a ferroon by Rev. J. McNebb, Warden of the county for the statement of the county for the county Wm. Young, Esq., Warden of the County was called to the chair and in a few words introduced Mr. Fowler.

In the atternoon by the evening by Rev. J. Sieveright of Goderich. On Monday evening Rev. J. McNabb will

St. Helens: PRESENTATION.—The children of the should have been built where it is proposed to run this line, through the centre of the country as it only serves one side east of Toronto. This road would do this county more good than any other it would pass through and would be of incalculable benefit to the town of Goderich. The government had sount and intended to spend large sums

Varna. CHURCH OPENING.—The new Wes leyan Church at this place was opened on Sunday, 18th January. Rev. C. Lavell, Chairman of the Goderich District, preached in the morning from Reyelations I. 4th, 5th and 6th verses. s to one end a half cents a ton per It had declared a dividend equal It had declared a dividend equal result per annual and could not the husiness offering. One of the most significant items built, at least if the London, Huron and Brace went on.

Mr. Fowler read a number of letters from Sir Hugh Allan through Mr. Abbott, showing that he and the city of Montreal were interested in the read

One of the most significant items of the day is the retirement from public life of Mr. Langevin, leader of the Torp party in Quebec. The raison detic is the same as that of Mr. Carling's defeat in London—the Pacific Scandal.

Milton Courtright Precident of the

Montreal were interested in the road and further pointed out the benefits Canada Southern Railroad from its orwhich would accrue from the building anization, has resigned on account of the road. In reply to a question he stated that the distance from here to ress, and C. L. Cable, of New York, has Montreal would be shortened by the been appointed to succeed him, with

On Sunday 25th ult., Mr. John J. Horton, one of the graduates of Huron College, was ordained a deacon in Christ Church, Exeter, by His Lordship the Bishop of Huron. Prior to shis departure from college his students presented him with a handsome Bible and a farewall address.

well address. A telegram was received in Toronto dated Rome, January 26th, conveying the fact of the appointment of the Very

agreement. He would advise that the Rev. Father Jamot, of Toronto, First Roman Catholic Bishop of Algoma. The newly appointed Bishop left by the Allan Line on Saturday, en route to Rome, consecration at the hands of His Holiness the Pope.

C. E. Stewart, Esq., proprietor of the Hamilton Times died in Toronto last number of townships had already given all they were able. If however the London, Huron and Bruce did not go on, a number of townships which had given bonuses to it might help this road.

Mr. Geo. Acheson spoke well and forcibly in favour of the road.

After a few remarks by Mr. Bell the following resolution was submitted,—

Moved by J. T. Garrow. Reeve of

bec are the gayest and jolliest; those of Montreal are the most stately; those of Toronto are the most dashing; those Ottawa are the most refined; those Hamilton are the wildest.

At Stouffville last Saturday, a melan' choly accident occurred, by which two men were killed instantly, and one fatally injured. While the Jarge double-headed locomotive of the Nipissine railway was standing at the station, it exploded with terrific force, blowing one man 160 yards over a building, and killing him, and blowing another, nam-William Carruthers, of Toronto, about sixty yards against another building, killing him instantly also. The poor fellow was sadly shattered, his legs and arms being broken, his side torn away, and the back part of his head shattered. The other man was fatally injured. At Stouffville last Saturday,

a great while to be palatable.—Country Gentleman.

Profamity never did any man the least good. No man is richer, or happier, or wiser for it. It commends no one to society; it is diagusting to the refined, and abominable to the good.

The approaching elections in England are creating a great deal of excitement, and both parties seem confident of victory at the polls. Betting is in favour of the Liberals. THE MARKETS .
