TEA MEETING.—A very successful tea meeting was held in the Leeburn Presbyterian Church, on Thursday evening last. Rev. R. Ure, D. D., acted as chairman. A brief address was given by Rev. J. Sieveright, but the main speech of the evening was delivered by Rev. O. G. Collamore, Methodist Episcopal Church, Goderich, who in an address of an hour's length interested and amused the audience. The choir did their part in a very creditable manner. The proceeds were devoted to liquidate the debt on the church.

—One day last week, on the farm of Mr. Jas. Purvis, lot 16, con. 7, Morris, Mr. Geo Kirkby with a "Clinton" machine, ran through 268 bushels of wheat in four hours, having encountered two stoppages during the running.

IT NEVER FAILS.

PHOSOZONE has never been known to fail in performing after a fair trial all that is claimed for it. The most sceptical readily acknowledge its surprising curative powers after taking a few doses, and its action is always rapid and certain. One or two or a dozen doses of Phosozone may not cure them; but if they persevere in taking it A FAVORABLE RESULT IS INEVITABLE. Sold by all Druggists, and prepared in the Laboratory of the Proprietors, Nos. 41 & 43 St. Jean Baptiste street, Montreal.

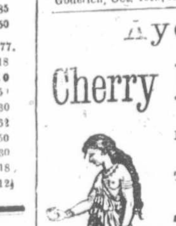
Ayer's Cherry Pectoral



For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

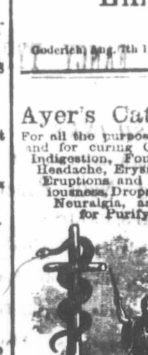
Ayer's Cathartic Pills,

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,



Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

TRADE-MARK.

HOLMAN'S LIVER PAD

Has Stood the Test for Years.

It has a national reputation established through its wonderful efficacy in all ailments that have their origin in a torpid liver.

NEW METHOD.—This comparatively new method to many of curing diseases by absorption, rather than drugging the stomach with nostrums, is a principle so well understood in England, that a Committee appointed by the Royal Medical Society to investigate the hypodermic method of administering medicine, reports as follows; "We may safely take as a broad guide to practice, the rule, that the physiological activity of nearly every substance which can be used, is three if not four times greater when it is given by the skin, than when it is swallowed."

NATURE'S LAW.—The principle of absorption is Nature's Law.

A Never-Failing Cure.

For Fever and Ague, Dumb Ague, Remittant, Intermittent Fever, Indigestion, Pain in Shoulders and Side, Periodical and Life-long Sick Headache, Rheumatism, Liver Cough, often taken for Consumption, Heart Disease (not organic). Kidney Difficulties, Female Weaknesses, Billious Colic, Diarrhoea, Cold Extremities and Partial Paralysis. It is also a sure Preventive of Yellow Fever, Diptheria, Pneumonia, Small-Pox, Scarlet Fever and all Malarial and Miasmatic Diseases the are developed in blood poison.

Works by Absorption.

IT IS SIMPLE, EFFECTIVE, HARMLESS; is marvellous for its prompt cure of every species of Liver and Stomach difficulties. It contains only harmless Vegetable Compounds, and is worn exactly where needed—over the vital parts, the Liver and Stomach. It removes torpidity of the Liver and arouses the Stomach from its dormant state, arresting fermentation, torpor and pain, by giving it the natural quantity of bile and gastric juice. It also vitalizes the entire system with nature's true tonic. It arrests all deteriorated and poisonous fluids in the stomach, and thus prevents their entering the system by way of circulation. It absorbs from the body every particle of blood poison, whether billious, malarial or medicinal, and leaves the wearer in perfect health.

Sent by mail on receipt of $2.50 for the Regular Pad, and $3.50 for the Special Pads, which should be used in old chronic and obstinate cases.

HOLMAN'S PLASTERS.

We cannot too strongly urge the use of Holman's celebrated foot and body plasters, as an auxiliary to the Pad in extreme cases of Typhoid, Billious or other Fevers, Rheumatism, Neuralgia, Nervous headache, and acute pains in any part of the body, especially in the small of the back and shoulders. The effect is magical. Also in cases of cold extremities and partial Paralysis. They stimulate and equalize the circulation producing the most satisfactory and even astonishing results. Combining the two, and following the directions, the patient can feel but little doubt of being absolute master in the severest chronic difficulties.

Plasters cost 50 cts.

MONTREAL, July 25th, 1877.

UNION MUTUAL LIFE INSURANCE Co., 102 St. Francois Xavier street.

Holman Liver Pad Company:

GENTLEMEN,—I feel it my duty to give you the result of the Holman Liver Pad which I bought of you about a month ago. I have been troubled with severe Dyspepsia and Indigestion, accompanied with sharp pain in the region of the Kidneys for about a year, and it finally became so troublesome that I could not eat anything without great suffering. I had tried most of the popular remedies of the day but with only temporary relief. I bought the Pad with little or no faith in it, but I am happy to say it has, I believe, *entirely* cured me after wearing it twenty-eight days, so that I can once more eat anything without feeling any inconvenience and cannot be too strongly recommended.

Yours truly,
N. P. HARRINGTON.

Holman Liver Pad Company;

GENTLEMEN,—I, the undersigned, having been troubled with Dyspepsia for a number of years back. I have tried different prescriptions from several eminent Physicians, but without gaining much perceptible relief. About one month ago I commenced the application of "Holman's Liver Pad," and am happy to say that since then I do feel a great relief, and that I can now digest a few articles of food I did not dare touch before.

O. P. ROBERT,

BURLINGTON, ONT., July 30th, 1877.

Holman Liver Pad Co.;

DEAR SIRS,—With pleasure I communicate to you the benefit I have received in the use of your Fever and Ague Liver Pad. From the first day I put it on the patient, me, and I now feel comfortable; it also acted on my bowels like a charm, and I feel thankful to my Heavenly father that my attention was directed to it, and also to you. I have certainly become your missionary for your Pad and Plasters.

Please find enclosed $3, for Pad and Plasters and address them to Mrs. Hoggarth, Ingersoll, Ont.,
