## Trains Collide.

A collision of two express trains occurred at Stephenville Station at 9 o'clock last Friday night. The west bound train was standing at the station waiting for the east bound to pass. The latter was slowed down when nearing the station as usual, but the brakes did not work well owing to the cold weather. As the brakes did not act the plow on the east bound struck the plow on the stalled train and knocked it across the rails smashing the sheathing off the plow and breaking the iron work also. The truck was knocked right across the rail. A delay of two hours was the result before the incoming express could get under way. She arrived here at 3 a.m. Sunday. The R. N. Co. are now holding an enquiry.

## Fell 19 Feet.

This forenoon a young lad, named James Morrissey, whilst at work on board the steamer, Almirante, discharging at Pitt's premises, fell into the water tank of the steamer, and received severe injuries about the head. Dr. Macpherson was quickly on the scene, and gave every attention to the unfortunate youngster after which he was conveyed to his home, Upper Battery Road. The lad had a miraculous escape from death, as he fell a distance of 19 feet.

## British Society's Parade.

Yesterday forenoon the Nfld. British Society held its annual parade through the city. The members were present in goodly numbers, and Albert Edward Juvenile Band preceded the parade body on the march, while the excellent band of the Church Lads Brigade led the procession, and along the route played inspiring airs. Parading up Water Street with the flag of Old England in the van the organization was accompanied by a throng of citizens, and a fete passing up Springdale Street deployed into New Gower and Duckworth Streets. In passing through the latter thoroughfare a very pleasing incident occurred when the members of the Total Abstinence body moved the windows of their club rooms and heartily cheered the paraders who as heartily returned the compliment. The Society called upon His Excellency Sir Ralph Williams who with his good lady and suite received the members when President Goodland in a felicitous speech tendered on behalf of the body its loyalty to the throne and fealty to the Empire, at the same time gracefully paying the season's compliments to His Excellency and Lady. Sir Ralph responded in an eloquent and hearty manner after which cheers were given with a will for Their Majesties the King and Queen and the Royal Family, while His Excellency and suite received an ovation in this respect. During the progress of this happy ceremonial the band at intervals rendered the National Anthem, and at its conclusion the officers were tendered the hospitality of the Vice-Regal residence. The Society attended Divine Service at Cuckrane Street Methodist Church which was filled to its capacity with a devout congregation. Rev. W. H. Webber conducted the service which was most inspiring, and preached a very eloquent sermon. After service the Society returned to the Hall.

## Cascarets Surely Straighten You Out

No Headache, Biliousness, Upset Stomach, Lazy Liver or Constipated Bowels by morning.

Are you keeping your bowels, liver and stomach clean, pure and fresh with Cascarets, or merely forcing a passage-way through these alimentary or drainage organs every few days with Salts, Cathartic pills, Castor oil or Purgative Waters. Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the undigested, sour and fermenting food and fowl gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels. A Cascaret to-night will make you feel great by morning. They work while you sleep—never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, constipation, indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

## At the R. C. Cathedral.

Sunday at 11 a.m. High Mass was celebrated at the R. C. Cathedral by His Grace the Archbishop. The choir music was the same as rendered Christmas Day, viz., Turlin's Mass. In honor of the Sacred Heart. The offertory piece was the Adeste Fideles of Novello. The soloists were Misses d'Alberty, Mrs. J. D. Ryan, contralto, and Mr. J. L. Slattery, basso. The music of the Mass was both devotional and unexcelled and was tastefully rendered under the baton of Mr. C. Hutton. Miss Am Cornick again presided at the grand organ.
