Mrs. D. Stott, Cobourg, Ont., writes:

"After recovering from typhoid fever I was left in a very low state of health. I was weak, nervous and not fit to do any work. A friend of mine, Mrs. G. M. Brown, had used DR. CHASE'S NERVE FOOD and told me that it benefitted her wonderfully. I took courage and began the use of the medicine. After taking the first box I began to feel an improvement in health and now after using four boxes I am completely cured. I now feel like myself once more and believe that I can attribute the cure to Dr. Chase's Nerve Food."
